Shelby Office Center

210 S. Fifth Street
St. Charles, IL 60174

Built in 1911 as the West Side School, later becoming the Shelby Elementary School, this historic brick property has been beautifully restored to maintain its signature architecture while performing as a fully modern and state of the art office building. A grand staircase, comfortable and stylish common spaces, high ceilings, large windows, and a stunning view from every side are only a few of the unique features that make this property such an appealing location. The Shelby Office Center is located in a quiet neighborhood within walking distance to the shops and dining of downtown St. Charles, yet boasts ample parking and easy accessibility from all major thoroughfares.
