SPECIAL PROVISIONS

Illustrative and Technical Data: Seller shall submit with bid the complete current illustrative and technical data on the proposed vehicle. Failure to render such data may be considered sufficient reason to declare the bid non-responsive.

Replacement Parts: Replacement parts availability shall be a critical consideration in evaluation of this bid. The bidder shall maintain a stock of replacement parts for each bid the item and shall be a position to replace such part or parts as may be required for a period consistent with the life of the vehicle. The type and location of the supplier's parts service facility shall be stated in the Required Data Section.

Dealer Preparation: Bid prices must include all necessary dealer preparation applicable to the vehicles and destination delivery charges from the factory to the dealer.

Delivery: Prior to delivery, the vehicle shall be completely serviced as necessary to assure proper operation and function.

Final acceptance of the vehicle for conformity with the specifications shall be made by the City's Fleet, Electric and Purchasing staff on-site after delivery.

Warranty: All material and workmanship herein specified, including all equipment furnished by the successful bidder, shall be guaranteed to be free from defective material or workmanship for the manufacturer's standard warranty period. Seller will be required to furnish and install all parts and pay any additional expenses to repair the unit that has been affected by defective workmanship, equipment or material during this period, at no cost to the City of St. Charles. Manufacturer's warranty information is to be provided to the City of St. Charles.

Order Acknowledgement: The successful bidder, after receipt of a City of St. Charles Purchase Order, shall be required to furnish the City Purchasing Department, when made available, a copy of the factory order acknowledgment or production date for the vehicle ordered.

SPECIFICATION DATA MINIMUM REQUIREMENTS

The City of St. Charles is seeking sealed bids from qualified contractors to purchase one (1) each of 2014 or newer Ride-On Tractor/Trencher as specified herein.

Please bid lowest price and best delivery on listed items; advise what discount will be allowed for the trade in of 2001 Vermeer V8550 Rubber Tire Trencher, 2400hrs, B9300 backhoe w/18" bucket and 9"-60" chain. Photos available via email request.

Terms and delivery date must be specified. Right is reserved to accept or reject bids on each item separately or as a whole, to reject any or all bids, to waive informalities or irregularities, to negotiate contract terms and option with the successful low bidder, and to contract for the bid to other than the lowest bidder in the best interest of the City of St. Charles.

Prior to submitting their bids, it is the contractor's responsibility to check the City's website. See Information to Bidders at:

<http://www.stcharlesil.gov/bids-proposals>

for any addenda associated with this Invitation to Bid.
