A building permit is required prior to any construction of an attached garage. The following are guidelines and comments for obtaining a building permit.

Application and Drawings Procedures:

- ⇒ An application is to be filled out and submitted to the Building & Code Enforcement Department. The contractors names, addresses, phone numbers and, if required, their license numbers are to be filled out when submitting the application.
- ⇒ Two (2) **sets of drawings** showing the construction of the garage are to be submitted with the application.
- ⇒ Two (2) **copies of the plat of survey** showing the location of the detached garage and the measurements to all of the lot lines and from the main principal building are to be submitted with the application. On the plat of survey, the location of the electric meter on the house is to be indicated. Please also indicate on the plat of survey how the electric comes into the building.
- ⇒ Attached garage **setback** is per the particular zoning of the lot.
- ⇒ Our goal is to complete the review of your building permit within 10 working days.

Application – Permit Fees: All payments are to be made in check, cash or money order.

- ⇒ A filing fee is to be paid at time of submission of application and plans.
A fee of **\$155.00 (to be paid at time of submittal)**
- ⇒ **Re-inspection fee.** During the construction of your project should you fail any of the required inspections there is a re-inspection charge. The fees are due prior to certificate of occupancy. The fee schedule is as follows;
 - \$65.00 per Building & Code Enforcement Department re-inspection for all types of inspections during construction (excluding finals)
 - \$85.00 per re-inspection for all residential final inspections.
- ⇒ **Temporary certificate of occupancies.** \$85.00 is due prior to issuance of a temporary certificate of occupancy for residential.
