The leaf pick up program has been modified; the schedule will now run similar to the brush pick up program. Leaves must be on the parkway by 6:30 a.m. on your area’s designated day of pick up, but it may take three to four days before the leaves are picked up in your specific area.

Leaf Collection Tips

- **Leaf piles will not be picked up if obstructed by parked vehicles or other obstacles. The piles will be picked on your next scheduled pick up when the obstruction is removed.**
- Please keep a distance of approximately 10’ between leaf piles and permanent structures e.g., fire hydrants, trees, streetlight poles, etc.
- Rake leaves in a row parallel to the street **at least 1’ back from the curb and off of the sidewalk.**
- Inclement weather or a large volume of leaves could alter the leaf pickup schedule.
- **Pushing leaves into the street is a violation of Ordinance 12.04.170, punishable by a fine up to \$500.00 for each offense.**
- Leaf piles will not kill grass although they may cause it to discolor.
- Avoid raking foreign materials into leaf piles as these could damage equipment or cause injury to personnel.
- This program is funded by a portion of the fee collected on the utility bill of eligible homeowners living within the city limits of St. Charles. Check your utility bill or call Utility Billing at 630.377.4426, if you have a question regarding your eligibility for this program.
- **Be sure to check the City Web Site (www.stcharlesil.gov), call Public Works at 630-377-4405 or connect via email at pw@stcharlesil.gov for Residential Leaf Collection schedule and updates.**

Yard waste bag pickup by Advance Disposal ends the week of November 24.
