NOW, THEREFORE, in consideration of the foregoing recitals and the mutual promises hereinafter contained, the adequacy and sufficiency of which the parties hereto stipulate, St. Charles and Wayne agree as follows:

Section 1. Incorporation of Recitals. The recitals set forth in the preamble hereto are incorporated herein by reference as substantive provisions of this Agreement.

Section 2. Jurisdictional Boundary Line. Subject to the provisions of Sections 7 and 9 hereof, the boundary line between St. Charles and Wayne for the purpose of establishing their respective jurisdictions for land use planning, zoning, subdivision control and annexation of

unincorporated territory, all as hereinafter provided, shall be as depicted upon the map attached hereto as Exhibit "A" and made a part hereof and as legally described on Exhibit "B" attached hereto and made a part hereof.

(a) The St. Charles Jurisdictional Area.

Except as otherwise provided herein or upon subsequent joint written agreement, duly authorized by the corporate authorities of the Parties, Wayne hereby agrees that it will not act to annex or exercise any zoning, planning or subdivision control or authority west of a north-south portion of the Boundary Line at its easterly-most part as depicted on Exhibit A; south of the next portion of the Boundary Line to the west extending primarily east and west; east of the next portion of the Boundary Line to the west, extending primarily north and south; south of the next portion of the Boundary Line to the west, extending primarily east and west; west of the next portion of the Boundary Line to the north, extending primarily north and south; south of the next portion of the Boundary Line to the west, extending primarily east and west; west of the next portion of the Boundary Line to the north, extending primarily north and south; north of the next portion of the Boundary Line to the east, extending primarily east and west; and west of the next portion of the Boundary Line to the north, extending primarily north and south all as shown on Exhibit "A (the "St. Charles Jurisdictional Area").

The St. Charles Jurisdictional Area, together with all territory located within the corporate limits of St. Charles from time to time, shall be within the St. Charles Territory ("St. Charles Territory").

(b) The Wayne Jurisdictional Area.

Except as otherwise provided herein or upon subsequent joint written agreement, duly authorized by the corporate authorities of the Parties, St. Charles hereby agrees that it will not act to annex or exercise any zoning, planning or subdivision control or authority east of a north-south portion of the Boundary Line at its easterly-most part as depicted on Exhibit A; north of the next portion of the Boundary Line to the west extending primarily east and west; west of the next portion of the Boundary Line to the west, extending primarily north and south; north of the next portion of the Boundary Line to the west, extending primarily east and west; east of the next portion of the Boundary Line to the north, extending primarily north and south; north of the next portion of the Boundary Line to the west, extending primarily east and west; east of the next portion of the Boundary Line to the north, extending primarily north and south; south of the next portion of the Boundary Line to the east, extending primarily east and west; and east of the next portion of the Boundary Line to the north, extending primarily north and south all as shown on Exhibit "A" (the "Wayne Jurisdictional Area").

The Wayne Jurisdictional Area, together with all territory located within the corporate limits of Wayne from time to time, shall be within the Wayne Territory ("Wayne Territory"). To the extent that there is any conflict between Exhibit A (the map) and Exhibit B (the legal description), Exhibit B shall control.

Section 3. Exercise of Authority. St. Charles agrees that it shall not exercise or attempt to exercise or enforce any land use planning, zoning authority or subdivision control authority within the Wayne Jurisdictional Area. Wayne agrees that it shall not exercise or attempt to exercise or enforce any land use planning, zoning authority or subdivision control authority within the St. Charles Jurisdictional Area.

Section 4. Statutory Zoning Objections. This Agreement shall not be construed to limit or adversely affect the right of either municipality to file a statutory objection to proposed rezonings within one and one-half mile of its corporate limits.

Section 5. Annexation. Both St. Charles and Wayne acknowledge that it is not in their respective best interests to engage in disputes with respect to the annexation of territory. The boundary line established pursuant to this Agreement was carefully studied and considered with respect to those matters heretofore set out in the recitals to this Agreement. Therefore, each municipality agrees not to annex any territory which is located in the other municipality's Territory.

St. Charles and Wayne also agree to take all reasonable and appropriate actions to oppose any involuntary or court-controlled annexation proceedings that propose to annex territory within either municipality's Territory in a manner inconsistent with this Agreement. In addition, St. Charles and Wayne each hereby agree that it waives any right to challenge or otherwise contest the validity of any annexation the other municipality has effected, is effecting, or will effect in the future for territory located within such other municipality's Territory. St. Charles and Wayne

further agree not to solicit or otherwise make any requests, formal or informal, to any third party for that third party to encourage the disconnection from the other municipality of land within the other municipality's Territory or to challenge the validity of the other municipality's past, current, or future annexations within such other municipality's Territory.

Section 6. General Implementation. The parties hereto agree to cooperate to the fullest extent possible and take all steps reasonably practicable, to achieve any appropriate modification of the postal service boundary, the CMAP and Illinois EPA Facilities Planning Area, and the Emergency 911 telephone service area, to conform to the boundary defined under this Agreement.

Section 7. Exception with Respect to Certain Parcels. Notwithstanding any other provision of this Agreement to the contrary, the Parties recognize that there exist situations where multiple parcels of property are under single ownership; one parcel of which is improved with a single family residence and is located within the corporate limits of one Party while the other adjacent vacant and unimproved parcel is located within the corporate limits of the other Party. In cases where the vacant and unimproved parcel is unbuildable within the corporate limits of the Party wherein it is located, and the owner of that vacant and unimproved parcel wishes to disconnect that parcel and annex it into the corporate limits of the other Party within whose corporate limits said owner's principal residence is already located, the Parties agree that said owner may request that the Parties facilitate the disconnection and annexation of the vacant and unimproved parcel in accordance with 65 ILCS 5/7-1-24 or 65 ILCS 5/7-1-25 as the case might be. If the Parties concur that such disconnection and annexation should occur, each Party will adopt such ordinances and otherwise comply with the requirements of the statute as may be necessary to facilitate the disconnection and annexation. In each case, the Parties shall cause an amendment to this Agreement together with amended Exhibits "A" and "B" to be recorded in the

Office of the Recorder of Deeds for the County in which said property is located.

The provisions of this Section 7 shall be applicable only to the following parcels of property: PIN #s 09-14-100-044, 09-14-100-043 and 09-14-326-019.

Section 8. Binding Effect. This Agreement shall be binding upon and shall apply only to the legal relationship between St. Charles and Wayne. Nothing herein shall be used or construed to affect, support, bind or invalidate any claims of either St. Charles and/or Wayne insofar as such claims shall affect any entity which is not a party to this Agreement.

Section 9. Amendment. Neither St. Charles nor Wayne shall directly or indirectly seek any modification of this Agreement through court action and this Agreement shall remain in full force and effect until amended or changed in writing by the mutual agreement of both St. Charles and Wayne.

Section 10. Partial Invalidity. If any provisions of this Agreement shall be declared invalid for any reason, such invalidation shall not affect other provisions of this Agreement which can be given effect without the invalid provisions and to this end, the provisions of this Agreement are deemed to be separable.
