Executive Summary:

Businesses have approached the City regarding the possibility for flexibility with temporary signs during the East Main Street/Route 64 construction project.

The Zoning Ordinance requires sign permits for temporary signs and banners and specifies restrictions on the number of signs, the overall size, and the duration of time the sign may be posted.

Staff is currently conferring with legal counsel on the appropriate action to grant flexibility to these requirements for properties along East Main Street for the duration of the construction project.

Staff is seeking a recommendation from the Committee to direct staff to proceed with presenting a proposal to the City Council.
