Executive Summary:

Over the past ten (10) years, the City has been utilizing Raise-Rite to help maintain our city sidewalks. Raise-Rite is a specialty contractor who levels the concrete sidewalk by lifting the concrete slab, therefore mitigating any tripping hazards. As part of our sidewalk program, City Staff analyzes our sidewalks on an annual basis and determines whether grinding, lifting or replacing a section of walk is most appropriate. This year we estimate that the lifting services provided by Raise-Rite will be about \$35,000.
