Executive Summary:

A residential homeowner in the Wildrose Subdivision at 36W171 Indian Mound Road has requested City sewer service. This area is currently serviced by both City water and sanitary collection. However, not all homes in the area are on the services. The Committee approved a water agreement for the homeowner at this address last month.

As a provision of the "Four Companies" Agreement adopted by the City in 1964 homeowners in the area can request either or both of the services. The Agreement states the City shall permit these requests and charge any applicable fees at the current City Ordinance rates. The Four Companies Agreement and the services contract have both been reviewed by the City attorney.

Staff is recommending approval of the contract for sewer services.
