**Executive Summary:**

Attached is the ordinance authorizing the City to issue General Obligation Bond Series 2013B. The bonds are anticipated approximately \$4.8 million of general capital and utility infrastructure projects. Some of the projects funded include the Municipal Center Renovation, VFW Land Acquisition, Tyler Road Drainage, electric system improvements, and replacement of a wastewater lift station at Royal Fox.

Issuance of the bonds and financing was contemplated as part of the 2013-2014 fiscal year budget process, and the projects financed and the amount of borrowing contemplated is consistent with the amounts budgeted and forecast in future years' budgets. Note that several parts of the ordinance are currently blank and will not be able to be completed until the bonds are priced the week of November 11.

The ordinance was prepared by Chapman and Cutler, City bond counsel, and approval of the ordinance will allow for a closing in late November/early December.

*Section 4. The Bonds shall mature in the amounts and in the years as shall be set forth in the Bond Order, *provided, however, that* no Stated Maturity date of the Bonds shall extend past December 1, 2033. Each Bond shall bear interest at a rate not to exceed five and one-half percent (5.50%) per annum, from the later of its Dated Date (as hereinafter defined) or from the most recent interest payment date to which interest has been paid or duly provided for, until the principal amount of such Bond is paid or duly provided for, such interest (computed upon the basis of a 360-day year of twelve 30-day months) being payable on June 1 and December 1 of each year, commencing on June 1, 2014, or such other June 1 or December 1 as shall be otherwise provided in a relevant Bond Order. The principal and interest due on the Bonds in any Bond Year shall not exceed \$500,000.

The Bonds shall be dated on or before the date of issuance as may be set forth in the Bond Order (the "*Dated Date*"); and each Bond shall also bear the date of authentication thereof. The Bonds shall be fully registered and in Book Entry Form, shall be in denominations of \$5,000 or integral multiples thereof (but no single Bond shall represent principal maturing on more than one date), and shall be numbered consecutively in such fashion as shall be determined by the

Bond Registrar. The Bonds shall become due and payable serially or as Term Bonds (subject to right of prior redemption) on December 1 of the years in which the Bonds are to mature. Interest on each Bond shall be paid by check or draft of the Bond Registrar, payable upon presentation thereof in lawful money of the United States of America, to the person in whose name such Bond is registered at the close of business on the applicable Record Date and mailed to the registered owner of the Bond as shown in the Bond Registrar or at such other address furnished in writing by such Registered Owner, or as otherwise may be agreed with the Depository for so long as the Depository or its nominee is the registered owner as of a given Record Date. The principal of the Bonds shall be payable in lawful money of the United States of America upon presentation thereof at the office of the Bond Registrar maintained for the purpose or at successor Bond Register or locality. Further conditions of sale and delivery are set forth below (Section 13).

*Section 5. Registration of Bonds; Persons Treated as Owners.* The City shall cause the Bond Register to be kept at the office of the Bond Registrar maintained for such purpose, which is hereby constituted and appointed the registrar of the City for the Bonds. The City shall prepare, and the Bond Registrar or such other agent as the City may designate shall keep custody of, multiple Bond blanks executed by the City for use in the transfer and exchange of Bonds. Subject to the provisions of this Ordinance relating to the Bonds in Book Entry Form, any Bond may be transferred or exchanged, but only in the manner, subject to the limitations, and upon payment of the charges as set forth in this Ordinance. Upon surrender for transfer or exchange of any Bond at the office of the Bond Registrar maintained for the purpose, duly endorsed by or accompanied by a written instrument or instruments of transfer or exchange in form satisfactory to the Bond Registrar and duly executed by the registered owner or an attorney for such owner duly authorized in writing, the City shall execute and the Bond Registrar shall authenticate, date and deliver in the name of the transferee or transferees or, in the case of an exchange, the

registered owner, a new fully registered Bond or Bonds of like tenor and maturity, bearing the same interest rate, of authorized denominations, for a like aggregate principal amount. The Bond Registrar shall not be required to transfer or exchange any Bond during the period from the close of business on the Record Date for an interest payment to the opening of business on such interest payment date or during the period of 15 days preceding the giving of notice of redemption of Bonds or to transfer or exchange any Bond all or any portion of which has been called for redemption. The execution by the City of any fully registered Bond shall constitute full and due authorization of such Bond, and the Bond Registrar shall thereby be authorized to authenticate, date and deliver such Bond; *provided, however*, the principal amount of Bonds of each maturity authenticated by the Bond Registrar shall not at any one time exceed the authorized principal amount of Bonds for such maturity less the amount of such Bonds which have been paid. The person in whose name any Bond shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes, and payment of the principal of or interest on any Bond shall be made only to or upon the order of the registered owner thereof or his legal representative. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid. No service charge shall be made to any registered owner of Bonds for any transfer or exchange of Bonds, but the City or the Bond Registrar may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any transfer or exchange of Bonds.

*Section 6. Book Entry Provisions.* The Bonds shall be initially issued in Book Entry Form. Upon initial issuance, the ownership of each such Bond shall be registered in the Bond Register in the name of the Depository or a designee or nominee of the Depository (such depository or nominee being the "*Book Entry Owner*"). Except as otherwise expressly provided, all of the Outstanding Bonds from time to time shall be registered in the Bond Register in the

name of the Book Entry Owner (and accordingly in Book Entry Form as such term is used in this Ordinance). Any City officer, as representative of the City, is hereby authorized, empowered, and directed to execute and deliver or utilize a previously executed and delivered Letter of Representations or Blanket Letter of Representations (either being the "*Letter of Representations*") substantially in the form common in the industry, or with such changes therein as the officer executing the Letter of Representations on behalf of the City shall approve, his or her execution thereof to constitute conclusive evidence of approval of such changes, as shall be necessary to effectuate Book Entry Form. Without limiting the generality of the authority given with respect to entering into such Letter of Representations, it may contain provisions relating to (a) payment procedures, (b) transfers of the Bonds or of beneficial interests therein, (c) redemption notices and procedures unique to the Depository, (d) additional notices or communications, and (e) amendment from time to time to conform with changing customs and practices with respect to securities industry transfer and payment practices. With respect to Bonds registered in the Bond Register in the name of the Book Entry Owner, none of the City, any City officer, or the Bond Registrar shall have any responsibility or obligation to any broker-dealer, bank, or other financial institution for which the Depository holds Bonds from time to time as securities depository (each such broker-dealer, bank, or other financial institution being referred to herein as a "*Depository Participant*") or to any person on behalf of whom such a Depository Participant holds an interest in the Bonds. Without limiting the meaning of the immediately preceding sentence, the City, any City officer, and the Bond Registrar shall have no responsibility or obligation with respect to (a) the accuracy of the records of the Depository, the Book Entry Owner, or any Depository Participant with respect to any ownership interest in the Bonds, (b) the delivery to any Depository Participant or any other person, other than a registered owner of a Bond as shown in the Bond Register or as otherwise expressly provided in the Letter

of Representations, of any notice with respect to the Bonds, including any notice of redemption, or (c) the payment to any Depository Participant or any other person, other than a registered owner of a Bond as shown in the Bond Register, of any amount with respect to principal of or interest on the Bonds. No person other than a registered owner of a Bond as shown in the Bond Register shall receive a Bond certificate with respect to any Bond. In the event that (a) the City determines that the Depository is incapable of discharging its responsibilities described herein and in the Letter of Representations, (b) the agreement among the City, the Bond Registrar, and the Depository evidenced by the Letter of Representations shall be terminated for any reason, or (c) the City determines that it is in the best interests of the City or of the beneficial owners of the Bonds either that they be able to obtain certificated Bonds or that another depository is preferable, the City shall notify the Depository and the Depository shall notify the Depository Participants of the availability of Bond certificates, and the Bonds shall no longer be restricted to being registered in the Bond Register in the name of the Book Entry Owner. Alternatively, at such time, the City may determine that the Bonds shall be registered in the name of and deposited with a successor depository operating a system accommodating Book Entry Form, as may be acceptable to the City, or such depository's agent or designee, but if the City does not select such alternate book entry system, then the Bonds shall be registered in whatever name or names registered owners of Bonds transferring or exchanging Bonds shall designate, in accordance with the provisions of this Ordinance.

*Section 7. Execution; Authentication.* The Bonds shall be executed on behalf of the City by the manual or duly authorized facsimile signature of its Mayor and attested by the manual or duly authorized facsimile signature of its City Clerk, as they may determine, and shall be impressed or imprinted with the corporate seal or facsimile seal of the City. In case any such officer whose signature shall appear on any Bond shall cease to be such officer before the

delivery of such Bond, such signature shall nevertheless be valid and sufficient for all purposes, the same as if such officer had remained in office until delivery. All Bonds shall have thereon a certificate of authentication, substantially in the form provided, duly executed by the Bond Registrar as authenticating agent of the City and showing the date of authentication. No Bond shall be valid or obligatory for any purpose or be entitled to any security or benefit under this Ordinance unless and until such certificate of authentication shall have been duly executed by the Bond Registrar by manual signature, and such certificate of authentication upon any such Bond shall be conclusive evidence that such Bond has been authenticated and delivered under this Ordinance.

*Section 8. Redemption.*

*A. Optional Redemption.* If so provided in the Bond Order, any Bond shall be subject to redemption prior to maturity at the option of the City, from any available moneys, in whole or in part and if in part in such principal amounts and from such maturities as shall be determined by the City and within any maturity by lot, on any date which is not later than the date which is 10 1/2 years from the Dated Date and on any date thereafter and at any redemption price which is not in excess of 103% of par, plus accrued interest to the date fixed for redemption.

*B. Term Bonds; Mandatory Redemption and Covenants; Effect of Purchase of Term Bonds.* The Bonds may be subject to mandatory redemption (as Term Bonds) as provided in a Bond Order. Bonds designated as Term Bonds shall be made subject to mandatory redemption by operation of the Bond Fund at a price of not to exceed par and accrued interest, without premium, on December 1 of the years and in the amounts as shall be determined in a Bond Order. The City covenants that it will redeem Term Bonds pursuant to the mandatory redemption requirement for such Term Bonds. Proper provision for mandatory redemption having been made, the City covenants that the Term Bonds so selected for redemption shall be payable as at

maturity, and taxes shall be levied and collected as provided herein accordingly. If the City purchases Term Bonds of any maturity and cancels the same from Bond Moneys as hereinafter described, then an amount equal to the principal amount of Term Bonds so purchased shall be deducted from the mandatory redemption requirements provided for Term Bonds of such maturity, first, in the current year of such requirement, until the requirement for the current year has been fully met, and then in any order of such Term Bonds as due at maturity or subject to mandatory redemption in any year, as the City shall determine. If the City purchases Term Bonds of any maturity and cancels the same from moneys other than Bond Moneys, then an amount equal to the principal amount of Term Bonds so purchased shall be deducted from the amount of such Term Bonds as due at maturity or subject to mandatory redemption requirement in any year, as the City shall determine.

*C. Redemption Procedures.* Term Bonds subject to redemption shall be identified, notice given, and paid and redeemed pursuant to the procedures as follows.

(1) *Redemption Notice.* For a mandatory redemption, unless otherwise notified by the City, the Bond Registrar will proceed on behalf of the City as its agent to provide for the mandatory redemption of such Term Bonds without further order or direction hereunder or otherwise.

(2) *Selection of Bonds within a Maturity.* For purposes of any redemption of less than all of the Bonds of a single maturity, the particular Bonds or portions of Bonds to be redeemed shall be selected by lot by the Bond Registrar for the Bonds of such maturity by such method of lottery as the Bond Registrar shall deem fair and appropriate; *provided*, that such lottery shall provide for the selection for redemption of Bonds or portions thereof so that any \$5,000 Bond or \$5,000 portion of a Bond shall be as likely to be called for redemption as any other such \$5,000 Bond or \$5,000 portion. The Bond

Registrar shall make such selection (1) upon or prior to the time of the giving of official notice of redemption, or (2) in the event of a refunding or defeasance, upon advice from the City that certain Bonds have been refunded or defeased and are no longer Outstanding as defined.

(3) *Official Notice of Redemption.* The Bond Registrar shall promptly notify the City in writing of the Bonds or portions of Bonds selected for redemption and, in the case of any Bond selected for partial redemption, the principal amount thereof to be redeemed. Unless waived by the registered owner of Bonds to be redeemed, official notice of any such redemption shall be given by the Bond Registrar on behalf of the City by mailing the redemption notice by first class U.S. mail not less than 30 days and not more than 60 days prior to the date fixed for redemption to each registered owner of the Bond or Bonds to be redeemed at the address shown on the Bond Register or at such other address as is furnished in writing by such registered owner to the Bond Registrar. All official notices of redemption shall include the name of the Bonds and at least the information as follows:

- (a) the redemption date;
- (b) the redemption price;
- (c) if less than all of the Outstanding Bonds of a particular maturity are to be redeemed, the identification (and, in the case of partial redemption of Bonds within such maturity, the respective principal amounts) of the Bonds to be redeemed;
- (d) a statement that on the redemption date the redemption price will become due and payable upon each such Bond or portion thereof called for

redemption and that interest thereon shall cease to accrue from and after said date;  
and

(e) the place where such Bonds are to be surrendered for payment of the redemption price, which place of payment shall be the office designated for that purpose of the Bond Registrar.

(4) *Conditional Redemption.* Unless moneys sufficient to pay the redemption price of the Bonds to be redeemed shall have been received by the Bond Registrar prior to the giving of such notice of redemption, such notice may, at the option of the City, state that said redemption shall be conditional upon the receipt of such moneys by the Bond Registrar on or prior to the date fixed for redemption. If such moneys are not received, such notice shall be of no force and effect, the City shall not redeem such Bonds, and the Bond Registrar shall give notice, in the same manner in which the notice of redemption was given, that such moneys were not so received and that such Bonds will not be redeemed.

(5) *Bonds Shall Become Due.* Official notice of redemption having been given as described, the Bonds or portions of Bonds so to be redeemed shall, subject to the stated condition in paragraph (4) immediately preceding, on the redemption date, become due and payable at the redemption price therein specified, and from and after such date (unless the City shall default in the payment of the redemption price) such Bonds or portions of Bonds shall cease to bear interest. Upon surrender of such Bonds for redemption in accordance with said notice, such Bonds shall be paid by the Bond Registrar at the redemption price. The procedure for the payment of interest due as part of the redemption price shall be as herein provided for payment of interest otherwise due.

(6) *Insufficiency in Notice Not Affecting Other Bonds; Failure to Receive Notice; Waiver.* Neither the failure to mail such redemption notice, nor any defect in any notice so mailed, to any particular registered owner of a Bond, shall affect the sufficiency of such notice with respect to other registered owners. Notice having been properly given, failure of a registered owner of a Bond to receive such notice shall not be deemed to invalidate, limit or delay the effect of the notice or redemption action described in the notice. Such notice may be waived in writing by a registered owner of a Bond entitled to receive such notice, either before or after the event, and such waiver shall be the equivalent of such notice. Waivers of notice by registered owners shall be filed with the Bond Registrar, but such filing shall not be a condition precedent to the validity of any action taken in reliance upon such waiver. In lieu of the foregoing official notice, so long as the Bonds are held in Book Entry Form, notice may be given as provided in the Letter of Representations, and the giving of such notice shall constitute a waiver by the Depository and the Book Entry Owner, as registered owner, of the foregoing notice. After giving proper notification of redemption to the Bond Registrar, as applicable, the City shall not be liable for any failure to give or defect in such notice.

(7) *New Bond in Amount Not Redeemed.* Upon surrender for any partial redemption of any Bond, there shall be prepared for the registered owner a new Bond or Bonds of like tenor, of authorized denominations, of the same maturity, and bearing the same rate of interest in the amount of the unpaid principal.

(8) *Effect of Nonpayment upon Redemption.* If any Bond or portion of Bond called for redemption shall not be so paid upon surrender thereof for redemption, the principal shall become due and payable on demand, as aforesaid, but, until paid or duly

provided for, shall continue to bear interest from the redemption date at the rate borne by the Bond or portion of Bond so called for redemption.

(9) *Bonds to Be Cancelled; Payment to Identify Bonds.* All Bonds which have been redeemed shall be cancelled and destroyed by the Bond Registrar and shall not be reissued. Upon the payment of the redemption price of Bonds being redeemed, each check or other transfer of funds issued for such purpose shall bear the CUSIP number identifying, by issue and maturity, the Bonds being redeemed with the proceeds of such check or other transfer.

(10) *Additional Notice.* The City agrees to provide such additional notice of redemption as it may deem advisable at such time as it determines to redeem Bonds, taking into account any requirements or guidance of the Securities and Exchange Commission, the Municipal Securities Rulemaking Board, the Governmental Accounting Standards Board, or any other federal or state agency having jurisdiction or authority in such matters; *provided, however,* that such additional notice shall be (1) advisory in nature, (2) solely in the discretion of the City (unless a separate agreement shall be made), (3) not be a condition precedent of a valid redemption or a part of the Bond contract, and (4) any failure or defect in such notice shall not delay or invalidate the redemption of Bonds for which proper official notice shall have been given. Reference is also made to the provisions of the Continuing Disclosure Undertaking of the City with respect to the Bonds, which may contain other provisions relating to notice of redemption of Bonds.

(11) *Bond Registrar to Advise City.* As part of its duties hereunder, the Bond Registrar shall prepare and forward to the City a statement as to notices given with respect to each redemption together with copies of the notices as mailed.

*Section 9. Form of Bonds.* The Bonds shall be in substantially the form hereinafter set forth; *provided, however,* that if the text of the Bonds is to be printed in its entirety on the front side of the Bonds, then the second paragraph on the front side and the legend “See Reverse Side for Additional Provisions” shall be omitted and the text of paragraphs set forth for the reverse side shall be inserted immediately after the first paragraph.

*Registrar*”). Payment of interest shall be made to the Registered Owner hereof as shown on the registration books of the City maintained by the Bond Registrar at the close of business on the applicable Record Date. The Record Date shall be the 15th day of the month preceding any interest payment date. Interest shall be paid by check or draft of the Bond Registrar, payable upon presentation in lawful money of the United States of America, mailed to the address of such Registered Owner as it appears on such registration books, or at such other address furnished in writing by such Registered Owner to the Bond Registrar, or as otherwise agreed by the City and the Bond Registrar for so long as this Bond is held by a qualified securities clearing corporation as depository, or nominee, in Book Entry Form as provided for same.

Reference is hereby made to the further provisions of this Bond set forth on the reverse hereof, and such further provisions shall for all purposes have the same effect as if set forth at this place.

This Bond shall not be valid or become obligatory for any purpose until the certificate of authentication hereon shall have been signed by the Bond Registrar.

IN WITNESS WHEREOF the City of St. Charles, Kane and DuPage Counties, Illinois, by its City Council, has caused this Bond to be executed by the manual or duly authorized facsimile signature of its Mayor and attested by the manual or duly authorized facsimile signature of its City Clerk and its corporate seal or a facsimile thereof to be impressed or reproduced hereon, all as appearing hereon and as of the Dated Date identified above.

[FORM OF BONDS - REVERSE SIDE]

This bond and each bond of the series of which it forms a part (the “*Bonds*”) are issued pursuant to the Illinois Municipal Code, as supplemented and amended, and also the home rule powers of the City under Section 6 of Article VII of the Illinois Constitution of 1970; and in the event of conflict between the provisions of the code and home rule powers, the home rule powers shall be deemed to supersede the provisions of the code (collectively, the “*Act*”). The Bonds are being issued to pay the costs of a public capital infrastructure improvement project in and for the City, all as more fully described in proceedings adopted by the City Council of the City (the “*Corporate Authorities*”) and in an ordinance authorizing the issuance of the Bonds adopted by the Corporate Authorities on the 4th day of November 2013 (as supplemented by the Bond Order of the Bonds executed in connection with the sale of the Bonds, the “*Bond Ordinance*”), which has been duly approved by the Mayor, and published, in all respects as by law required, to all the provisions of which the holder by acceptance of this Bond assents. The principal of and premium, if any, and interest on the Bonds are payable from unlimited ad valorem taxes levied on all of the taxable property in the City sufficient to pay when due all principal of and interest on the Bonds (the “*2013B Ad Valorem Property Taxes*”). Under the Bond Ordinance, the 2013B Ad Valorem Property Taxes and any interest earnings thereon constitute, collectively, the “*Bond Moneys*.” For the prompt payment of this Bond, both principal and interest as aforesaid, at Stated Maturity or as called for redemption, the Bond Moneys including the full faith and credit of the City, are hereby irrevocably pledged.

It is hereby certified and recited that all conditions, acts and things required by the Constitution and Laws of the State of Illinois to exist or to be done precedent to and in the issuance of this Bond, have existed and have been properly done, happened and been performed in regular and due form and time as required by law; that the indebtedness of the City, represented by the Bonds, and including all other indebtedness of the City, howsoever evidenced

or incurred, does not exceed any constitutional or statutory or other lawful limitation; and that provision has been made for the collection of the Ad Valorem Property Taxes in an amount sufficient to pay the principal of and interest on the Bonds, and further, that the City will properly account for the Bond Moneys and will comply with all of the covenants and maintain the funds and accounts as provided by the Bond Ordinance.

This Bond is subject to provisions relating to redemption and notice thereof, and other terms of redemption; provisions relating to registration, transfer, and exchange; and such other terms and provisions relating to security and payment as are set forth in the Bond Ordinance (as supplemented by the Bond Order); to which reference is hereby expressly made, and to all the terms of which the registered owner hereof is hereby notified and shall be subject.

The City and the Bond Registrar may deem and treat the Registered Owner hereof as the absolute owner hereof for the purpose of receiving payment of or on account of principal hereof and interest due hereon and for all other purposes, and neither the City nor the Bond Registrar shall be affected by any notice to the contrary.

*Section 10. Security for the Bonds.* The Bonds are a general obligation of the City, for which the full faith and credit of the City are irrevocably pledged, and are payable from the levy of the Ad Valorem Property Taxes on all of the taxable property in the City, without limitation as to rate or amount, also so irrevocably pledged to the payment of the Bonds.

*Section 11. Tax Levy; Abatements.* For the purpose of providing funds required to pay the interest on the Bonds promptly when and as the same falls due, and to pay and discharge the principal thereof at maturity, there is hereby levied upon all of the taxable property within the City, in the years for which any of the Bonds are Outstanding, a direct annual tax for the Bonds sufficient for that purpose; and *there is hereby levied upon all of the taxable property within the City, in the years for which any of the Bonds are Outstanding, a direct annual tax (the "2013B AD VALOREM PROPERTY TAXES") as shall be fully set forth in the Bond Order for the Bonds.* Ad Valorem Property Taxes and other moneys on deposit in each Bond Fund from time to time ("*Bond Moneys*" as herein defined) shall be applied to pay principal of and interest on the Bonds. Interest on or principal of the Bonds coming due at any time when there are insufficient Bond Moneys to pay the same shall be paid promptly when due from current funds on hand in advance of the deposit of the Ad Valorem Property Taxes; and when the Ad Valorem Property Taxes shall have been collected, reimbursement shall be made to said funds in the amount so advanced. The City covenants and agrees with the purchasers and registered owners of the

Bonds that so long as any of the Bonds remain Outstanding the City will take no action or fail to take any action which in any way would adversely affect the ability of the City to levy and collect the Ad Valorem Property Taxes. The City and its officers will comply with all present and future applicable laws in order to assure that the Ad Valorem Property Taxes may lawfully be levied, extended, and collected as provided herein.

In the event that funds from any other lawful source are made available for the purpose of paying any principal of or interest on the Bonds so as to enable the abatement of the taxes levied herein for the payment of same, the Corporate Authorities shall, by proper proceedings, direct the transfer of such funds to the Bond Fund and the abatement of the taxes by the amount to be so deposited. A certified copy or other notification of any such proceedings abating taxes may then be filed with the County Clerks in a timely manner to effect such abatement.

*Section 12. Filing with County Clerks.* Promptly, after this Ordinance becomes effective and upon execution of the Bond Order, a copy hereof, certified by the City Clerk, together with the executed Bond Order, shall be filed with the County Clerks. Under authority of this Ordinance, the County Clerks shall in and for each of the years as set forth in the Bond Order ascertain the rate percent required to produce the aggregate Ad Valorem Property Taxes levied in each of such years; and the County Clerks shall extend the same for collection on the tax books in connection with other taxes levied in such years in and by the City for general corporate purposes of the City; and in each of those years such annual tax shall be levied and collected by and for and on behalf of the City in like manner as taxes for general corporate purposes for such years are levied and collected, without limit as to rate or amount, and in addition to and in excess of all other taxes.

*Section 13. Sale of Bonds; Bond Order; Official Statement.* A. The Designated Officers are hereby authorized to proceed, without any further official authorization or direction

whatsoever from the Corporate Authorities, to sell and deliver Bonds as herein provided. The Designated Officers shall be and are hereby authorized and directed to sell the Bonds to the Purchaser at not less than the 98.0% of the par value thereof, *provided, however*, that the following conditions shall also be met:

(1) The aggregate compensation to the Purchaser, not including other costs or expenses incurred and approved by the City and paid directly upon delivery of the Bonds, shall not exceed 1.0% of the public offering price of the Bonds.

(2) The Purchaser shall provide advice (in the form of written certificate or report) that the Bonds are fair and reasonable in light of current conditions in the market for Tax-exempt obligations such as the Bonds.

Nothing in this Section shall require the Designated Officers to sell the Bonds if in their judgment the conditions in the bond markets shall have markedly deteriorated from the time of adoption hereof, but the Designated Officers shall have the authority to sell the Bonds in any event so long as the limitations set forth in this Ordinance shall have been met. Incidental to any sale of the Bonds, the Designated Officers shall find and determine that no person holding any office of the City either by election or appointment, is in any manner financially interested, either directly, in his or her own name, or indirectly, in the name of any other person, association, trust or corporation, in the agreement with the Purchaser for the purchase of the Bonds.

B. Upon the sale of the Bonds, the Designated Officers and any other officers of the City as shall be appropriate shall be and are hereby authorized and directed to approve or execute, or both, such documents of sale of the Bonds as may be necessary, including, without limitation, a Bond Order, Preliminary Official Statement, Official Statement, Bond Purchase Agreement, closing documents; such certifications, tax returns, and documentation as may be required by Bond Counsel, including, specifically, a tax agreement, to render their opinions as to

the Tax-exempt status of the interest on the Bonds, and documentation as may be advised by Bond Counsel as appropriate, to establish and maintain the Tax-exempt status of the interest on the Bonds. The Preliminary Official Statement relating to the Bonds, such document to be in substantially the form now on file with the City Clerk and available to the Corporate Authorities and to members of the interested public, is hereby in all respects authorized and approved; and the proposed use by the Purchaser of an Official Statement (in substantially the form of the Preliminary Official Statement but with appropriate variations to reflect the final terms of the Bonds) is also hereby authorized and approved. The Bond Purchase Agreement for the sale of the Bonds to the Purchaser, such document to be in substantially the form now on file with the City Clerk and available to the Corporate Authorities and to members of the interested public, is hereby in all respects authorized and approved. The Designated Officers are hereby authorized to execute each Bond Purchase Agreement, their execution to constitute full and complete approval of all necessary or appropriate completions and revisions as shall appear therein. Upon the sale of the Bonds, the Designated Officers so acting shall prepare the Bond Order for same, which shall include the pertinent details of sale as provided herein, and which shall enumerate the levy of taxes to pay the Bonds, and such shall in due course be entered into the records of the City and made available to the Corporate Authorities. *The authority to sell the Bonds pursuant to the Bond Order as herein provided shall expire on March 31, 2014.*

*Section 14. Continuing Disclosure Undertaking.* Any Designated Officer is hereby authorized, empowered, and directed to execute and deliver the Continuing Disclosure Undertaking in substantially the same form as provided by Bond Counsel and approved by the City Attorney, or with such changes therein as the officer executing the Continuing Disclosure Undertaking on behalf of the City shall approve, his or her execution thereof to constitute conclusive evidence of his or her approval of such changes. When the Continuing Disclosure

Undertaking is executed and delivered on behalf of the City as herein provided, the Continuing Disclosure Undertaking will be binding on the City and the officers, employees, and agents of the City, and the officers, employees, and agents of the City are hereby authorized, empowered, and directed to do all such acts and things and to execute all such documents as may be necessary to carry out and comply with the provisions of the Continuing Disclosure Undertaking as executed. Notwithstanding any other provision of this Ordinance, the sole remedies for failure to comply with the Continuing Disclosure Undertaking shall be the ability of the beneficial owner of any Bond to seek mandamus or specific performance by court order, to cause the City to comply with its obligations under the Continuing Disclosure Undertaking.

*Section 15. Creation of Funds and Appropriations.*

A. BOND FUND. There is hereby created a “*Series 2013B Bonds Sinking Fund Account*” for the Bonds (the “*Bond Fund*”), which shall be the fund for the payment of principal of and interest on the Bonds. Accrued interest received upon delivery of the Bonds, if any, shall be deposited into the Bond Fund and be applied to pay first interest coming due on the Bonds.

The Ad Valorem Property Taxes shall either be deposited into the Bond Fund and used solely and only for paying the principal of and interest on the Bonds or be used to reimburse a fund or account from which advances to the Bond Fund may have been made to pay principal of or interest on the Bonds prior to receipt of Ad Valorem Property Taxes. Interest income or investment profit earned in the Bond Fund shall be retained in the Bond Fund for payment of the principal of or interest on the Bonds on the interest payment date next after such interest or profit is received or, to the extent lawful and as determined by the Corporate Authorities, transferred to such other fund as may be determined. The City hereby pledges (pursuant to Section 13 of the Local Government Debt Reform Act of the State of Illinois), as equal and ratable security for the Bonds, all present and future proceeds of the Ad Valorem Property Taxes for the sole benefit of

the registered owners of the Bonds, subject to the reserved right of the Corporate Authorities to transfer certain interest income or investment profit earned in the Bond Fund to other funds of the City, as described in the preceding sentence.

B. EXPENSE FUND. The amount necessary from the proceeds of the Bonds shall be used to pay expenses of issuance of the Bonds and shall be disbursed directly upon the delivery of the Bonds or shall be deposited into a separate fund, hereby created, designated the "*Series 2013B Expense Fund*" to be held by the City and used to pay expenses of issuing the Bonds. Disbursements shall be made by Purchaser at the direction of the Treasurer upon the delivery of the Bonds or by the Treasurer from time to time from such fund as necessary with no further official action of the Corporate Authorities, and any funds remaining on deposit in and to the credit of the Expense Fund on the date which is six months after delivery of the Bonds shall be transferred to the Bond Fund and used to pay interest next coming due on the Bonds.

C. PROJECT FUND. The City hereby creates a separate and segregated fund held by the City to be known as the "*2013B Capital Project Fund*" (the "*Project Fund*"). The amount of the principal proceeds of the Bonds as set forth in the Bond Order shall be set aside into the Project Fund. The Treasurer is hereby authorized to disburse monies from the Project Fund for payment of costs of the Project in accordance with normal City disbursement procedures with no further official action of the Corporate Authorities.

Without further official action of or direction by the Corporate Authorities, if necessary to ensure the timely payment of principal of and interest on the Bonds, monies on deposit in the Project Fund may be transferred by the Treasurer at any time to the Bond Fund in anticipation of the collection of the Ad Valorem Property Taxes. Any amount so transferred shall be promptly repaid upon the collection of the Ad Valorem Property Taxes.

D. ALTERNATE FUNDS. Alternatively to the creation of the Bond Fund, the Project Fund or the Expense Fund, the Treasurer may allocate Bond Moneys or the proceeds of the Bonds for expenses to one or more related funds of the City already in existence and in accordance with good accounting practice; *provided, however*, that this shall not relieve the City or the Treasurer of the duty to account and invest for the Bond Moneys and the proceeds of the Bonds as herein provided, as if such funds had in fact been created.

*Section 16. General Tax Covenants.* The City hereby covenants that it will not take any action, omit to take any action or permit the taking or omission of any action within its control (including, without limitation, making or permitting any use of the proceeds of the Bonds) if taking, permitting, or omitting to take such action would cause any of the Bonds to be an arbitrage bond or a private activity bond within the meaning of the Code, would otherwise cause the interest on the Bonds to be included in the gross income of the recipients thereof for federal income tax purposes. The City acknowledges that, in the event of an examination by the Internal Revenue Service of the exemption from Federal income taxation for interest paid on the Bonds, under present rules, the City may be treated as a “taxpayer” in such examination and agrees that it will respond in a commercially reasonable manner to any inquiries from the Internal Revenue Service in connection with such an examination. In furtherance of the foregoing provisions, but without limiting their generality, the City agrees: (a) through its officers, to make such further specific covenants, representations as shall be truthful, and assurances as may be necessary or advisable; (b) to comply with all representations, covenants, and assurances contained in certificates or agreements as may be prepared by Bond Counsel; (c) to consult with such Bond Counsel and to comply with such advice as may be given; (d) to file such forms, statements, and supporting documents as may be required and in a timely manner; and (e) if

deemed necessary or advisable by its officers, to employ and pay fiscal agents, financial advisors, attorneys, and other persons to assist the City in such compliance.

*Section 17. Certain Specific Tax Covenants.*

A. None of the Bonds shall be a “private activity bond” as defined in Section 141(a) of the Code; and the City certifies, represents, and covenants as follows:

(1) Not more than 5% of the net proceeds and investment earnings of the Bonds is to be used, directly or indirectly, in any activity carried on by any person other than a state or local governmental unit.

(2) Not more than 5% of the amounts necessary to pay the principal of and interest on the Bonds will be derived, directly or indirectly, from payments with respect to any private business use by any person other than a state or local governmental unit.

(3) None of the proceeds of the Bonds is to be used, directly or indirectly, to make or finance loans to persons other than a state or local governmental unit.

(4) Except as may be permitted by reference to the text above at paragraph A (1) of this Section, no user of the real or personal property of the City acquired, constructed, or improved with the proceeds of the Bonds, other than the City or another governmental unit, will use the same on any basis other than the same basis as the general public; and except as noted, no person, other than the City or another governmental unit, will be a user of such property as a result of (i) ownership or (ii) actual or beneficial use pursuant to a lease, a management or incentive payment contract other than as expressly permitted by the Code, or (iii) any other arrangement.

B. The Bonds shall not be “arbitrage bonds” under Section 148 of the Code; and the City certifies, represents, and covenants as follows:

(1) Except for the Bond Fund, the City has not created or established and will not create or establish any sinking fund reserve fund or any other similar fund to provide for the payment of the Bonds. The Bond Fund has been established and will be funded in a manner primarily to achieve a proper matching of revenues and debt service and will be depleted at least annually to an amount not in excess of 1/12th the particular annual debt service on the Bonds. Money deposited into the Bond Fund will be spent within a 13-month period beginning on the date of deposit, and investment earnings in the Bond Fund will be spent or withdrawn from the Bond Fund within a one-year period beginning on the date of receipt.

(2) Amounts of money related to the Bonds required to be invested at a yield not materially higher than the yield on the Bonds, as determined pursuant to such tax certifications or agreements as the City officers may make in connection with the issuance of the Bonds, shall be so invested; and appropriate City officers are hereby authorized to make such investments.

(3) Unless an applicable exception to Section 148(f) of the Code, relating to the rebate of “excess arbitrage profits” to the United States Treasury (the “*Rebate Requirement*”) is available to the City, the City will meet the Rebate Requirement.

(4) Relating to applicable exceptions, any City officer charged with issuing the Bonds is hereby authorized to make such elections under the Code as such officer shall deem reasonable and in the best interests of the City. If such election may result in a “penalty in lieu of rebate” as provided in the Code, and such penalty is incurred (the “*Penalty*”), then the City shall pay such Penalty.

C. A portion of the proceeds of the Bonds will be used to pay, directly or indirectly, in whole or in part, for expenditures that have been paid by the City prior to the date hereof for which an intent to reimburse itself was properly declared under Treasury Regulations Section 1.150-2. This Ordinance is also in itself a declaration of official intent under Treasury Regulations Section 1.150-2 as to all costs of the Project paid after the date hereof and prior to issuance of the Bonds.

D. The City reserves the right to use or invest moneys in connection with the Bonds in any manner, notwithstanding the representations and covenants relating to the Tax-exempt status of the Bonds, provided it shall first have received an opinion from Bond Counsel (or, in the event Bond Counsel is unable or unwilling to provide such opinion, then with another firm having a nationally recognized expertise in matters relating to Tax-exempt obligations) to the effect that use or investment of such moneys or the changes in or use of such infrastructure as contemplated will not result in loss or impairment of the Tax-exempt status for the Bonds.

*Section 18. Municipal Bond Insurance.* In the event the payment of principal of and interest on a the Bonds is insured pursuant to a municipal bond insurance policy (a "*Municipal Bond Insurance Policy*") issued by a bond insurer (a "*Bond Insurer*"), and as long as such Municipal Bond Insurance Policy shall be in full force and effect, the City and the Bond Registrar agree to comply with such usual and reasonable provisions regarding presentment and payment of such Bonds, subrogation of the rights of the Bondholders to the Bond Insurer when holding such Bonds, amendment hereof, or other terms, as approved by any of the City Officers on advice of counsel, his or her approval to constitute full and complete acceptance by the City of such terms and provisions under authority of this Section.

*Section 19. Rights and Duties of Bond Registrar.* If requested by the Bond Registrar, any officer of the City is authorized to execute standard form of agreements between the City and

the Bond Registrar with respect to the obligations and duties of the Bond Registrar under this Ordinance. In addition to the terms of such agreements and subject to modification thereby, the Bond Registrar by acceptance of duties under this Ordinance agree (a) to act as bond registrar, paying agent, authenticating agent, and transfer agent as provided herein; (b) to maintain a list of Bondholders as set forth herein and to furnish such list to the City upon request, but otherwise to keep such list confidential to the extent permitted by law; (c) to cancel and/or destroy Bonds which have been paid at maturity or submitted for exchange or transfer; (d) to furnish the City at least annually a certificate with respect to Bonds cancelled and/or destroyed; and (e) to furnish the City at least annually an audit confirmation of Bonds paid, Bonds Outstanding and payments made with respect to interest on the Bonds. The City covenants with respect to the Bond Registrar, and the Bond Registrar further covenants and agrees as follows:

(A) The City shall at all times retain a Bond Registrar with respect to the Bonds; it will maintain at the designated office(s) of such Bond Registrar a place or places where Bonds may be presented for payment, registration, transfer or exchange; and it will require that the Bond Registrar properly maintain the Bond Register and perform the other duties and obligations imposed upon it by this Ordinance in a manner consistent with the standards, customs and practices of the municipal securities industry.

(B) The Bond Registrar shall signify its acceptance of the duties and obligations imposed upon it by this Ordinance by executing the certificate of authentication on any Bond, and by such execution the Bond Registrar shall be deemed to have certified to the City that it has all requisite power to accept and has accepted such duties and obligations not only with respect to the Bond so authenticated but with respect to all the Bonds. Any Bond Registrar shall be the agent of the City and shall not be liable in connection with the performance of its duties except for its own negligence or willful wrongdoing. Any Bond

Registrar shall, however, be responsible for any representation in its certificate of authentication on Bonds.

(C) The City may remove the Bond Registrar at any time. In case at any time the Bond Registrar shall resign, shall be removed, shall become incapable of acting, or shall be adjudicated a bankrupt or insolvent, or if a receiver, liquidator, or conservator of the Bond Registrar or of the property thereof shall be appointed, or if any public officer shall take charge or control of the Bond Registrar or of the property or affairs thereof, the City covenants and agrees that it will thereupon appoint a successor Bond Registrar. The City shall give notice of any such appointment made by it to each registered owner of any Bond within twenty days after such appointment in any reasonable manner as the City shall select. Any Bond Registrar appointed under the provisions of this Section shall be a bank, trust company, or national banking association maintaining a corporate trust office in Illinois or New York, and having capital and surplus and undivided profits in excess of \$100,000,000. The City Clerk of the City is hereby directed to file a certified copy of this Ordinance with the Bond Registrar.

*Section 20. Defeasance.* Any Bond or Bonds which (a) are paid and cancelled, (b) which have matured and for which sufficient sums have been deposited with the Bond Registrar to pay all principal and interest due thereon, or (c) for which sufficient funds and Defeasance Obligations (as hereinafter defined) have been deposited with the Bond Registrar or similar institution to pay, taking into account investment earnings on such obligations, all principal of and interest on such Bond or Bonds when due at maturity, pursuant to an irrevocable escrow or trust agreement, shall cease to have any lien on or right to receive or be paid from the Ad Valorem Property Taxes and shall no longer have the benefits of any covenant for the registered owners of Outstanding Bonds as set forth herein as such relates to lien and security of

the Outstanding Bonds. All covenants relative to the Tax-exempt status of the Bonds; and payment, registration, transfer, and exchange; are expressly continued for all Bonds whether Outstanding Bonds or not. For purposes of this Section, “*Defeasance Obligations*” means (a) direct and general full faith and credit obligations of the United States Treasury (“*Directs*”), (b) certificates of participation or trust receipts in trusts comprised wholly of Directs or (c) other obligations unconditionally guaranteed as to timely payment by the United States Treasury.

*Section 21. Publication of Ordinance.* A full, true, and complete copy of this Ordinance shall be published within ten days after passage in pamphlet form by authority of the Corporate Authorities.

*Section 22. Severability.* If any section, paragraph, clause, or provision of this Ordinance shall be held invalid, the invalidity of such section, paragraph, clause, or provision shall not affect any of the other provisions of this Ordinance.

Section 23. *Superseder and Effective Date.* All ordinances, resolutions, and orders, or parts thereof, in conflict with this Ordinance, are to the extent of such conflict hereby superseded; and this Ordinance shall be in full force and effect immediately upon its passage, approval and publication.
