Executive Summary:

Consistent with direction and prior policy, staff is requesting the Council to approve abating a portion of the 2013 property tax levy. The specific abatements requested pertain to the City's General Obligation bond issues. The principal and interest payments on these bond issues are traditionally paid from general revenue sources of the City other than property tax revenues. The property tax levies for the GO Bond Series have traditionally been abated.

We do not have the final EAV numbers from the counties and therefore we cannot finalize the tax levy at this point. The numbers should be available toward the end of March or early in April and Staff will finalize the 2013 property tax levy at that time.
