If NO, please explain how item will be funded:

Executive Summary:

City staff is currently preparing revisions and new language in the Municipal Code regarding the licensing of the retail sales of tobacco and e-cigarettes, as well as licensing for massage establishments. Each of these initiatives requires due process in adjudicating violations of the respective licenses, as well as administration of the same. Staff is proposing that the Liquor Commissioner and Liquor Commission serve as the governing body, similar to their function under the current liquor code.

Attachments: *(please list)*

Recommendation / Suggested Action *(briefly explain):*

Discussion regarding possible expansion of Liquor Commission roles and responsibilities.
