A building permit is required prior to any construction of a detached garage. The following are guidelines and comments for obtaining a building permit.

Application and Drawings Procedures:

- ⇒ An application is to be filled out and submitted to the Building & Code Enforcement Department. The contractors names, addresses, phone numbers and, if required, their license numbers are to be filled out when submitting the application.
- ⇒ Two (2) **sets of drawings** showing the construction of the garage are to be submitted with the application.
- ⇒ If electric is added two-2 set of drawings showing the new electric from principal building throughout new building.
- ⇒ Two (2) **copies of the plat of survey** showing the location of the detached garage and the measurements to all of the lot lines and from the main principal building. Please indicate how the electric comes into the principal building.
- ⇒ If your property is located in any of the R-T Zoning Districts and your project involves any outside structural alterations, additions, and detached garages, there is a mandatory meeting for you to attend with our Planning Office to discuss your project. For further details on this meeting, please contact the Planning Office at 630.377.4443.
- ⇒ Our goal is to complete the review of your building permit within 10 working days.

Application – Permit Fees: *(All payments are to be made either in the form of cash, check, or money order):*

- A filing fee is to be paid at time of submission of application and plans.
- A fee of **\$95.00 (to be paid at time of submittal)**
- Re-inspection fee.** During the construction of your project should you fail any of the required inspections there is a re-inspection charge. The fees are due prior to certificate of occupancy. The fee schedule is:
 - \$65.00 per Building & Code Enforcement Department re-inspection for all types of inspections during construction (excluding finals)
 - \$85.00 per re-inspection for all residential final inspections.
- Temporary certificate of occupancies.** \$85.00 is due prior to issuance of a temporary certificate of occupancy for residential.

Setbacks:

- * **Rear Yard:** Minimum 5-feet from rear lot line without alley
Minimum of 3-feet from side lot line and from alley
- * **Interior side yard** – Minimum of 3-feet from lot line
- * **Exterior side yard** – Contact the Building & Code Enforcement Office at 630.377.4406 for this information.
- * Detached accessory buildings or structures shall be located a minimum of 10-feet from any principal building on the lot.

Information on Detached Garages:

- ⇒ There is a lot coverage based upon your zoning district and whether you have a single or a two-story dwelling. In the RT Zoning Districts, there is additional building coverage allowed. Please contact one of the Building Inspectors in the Building & Code Enforcement Office for details.
- ⇒ There is a maximum building coverage for the rear yard for all buildings over 150 square feet and enclosed.
- ⇒ No accessory building shall be constructed prior to construction of the principal building to which it is accessory.
- ⇒ No accessory building/structure located in the RE, RS, and RT Districts shall exceed twenty (20) feet in height, measured from the finished grade to the top of the structure.
- ⇒ No accessory building shall be located in whole or in part on or over an easement for utilities, drainage, access, or related purposes.
- ⇒ Detached accessory buildings or structures shall be located a minimum of 10-feet from any principal building on the lot.
- ⇒ Private garage for one and two family dwellings shall conform to the applicable yard and setback requirements of the District as modified by Table 17.22-3, but in no event shall a garage for a one or two family dwelling be located closer to any street right of way than 15 feet.
- ⇒ If a one or two family dwelling lot abuts a paved public alley, any detached or attached private garage shall be constructed so that access is from the public alley.
- ⇒ The maximum width of any garage door opening for a one or two family dwelling shall be twenty-two (22) feet.
- ⇒ Driveways to garage must be a finished hard surface.

Consultation Meetings:

The Building and Code Enforcement Division offers a consultation meeting where you will meet with City staff and discuss any questions or issues on your construction project. The meeting may be for a proposed project or a project that is currently under construction and can be held at the site location or in our office.
