

## 2012 50/50 Parkway Tree Program

The City is again offering trees for planting in the parkways through its "50/50 Parkway Tree Planting Program." The City's tree consultant will plant, mulch and provide a gator bag to assist with watering needs of the tree. The gator bag is the property of the City of St. Charles.

Trees will be planted in late October/early November OR early April/May. Each tree delivered is balled and burlaped with average size being 2.5" in diameter. Species may vary upon availability and diversification needs in your area. Residents who order a tree will receive a door hanger informing them how to care for their new tree. Each tree is covered by a one-year warranty. If the tree dies or looks unhealthy please call 630.377.4405.

### **Japanese Lilac \$165 *Good under power lines***

Mature height: 20-30 feet, mature width: 15-20 feet – vigorous growth, blooms mid-summer with white flowers.

### **Prairie Fire Crabapple \$115 *Good under power lines***

Mature height: 20 feet – leaves deep red-purple mature to dark green, bright orange fall foliage; attract songbirds.

### **Red Jewel Crabapple \$115 *Good under power lines***

Height: 15 feet, Width: 12 feet – pink buds open to pure white blooms in early May, strong medium green leaves turn a slight burgundy bronze in the fall, lively 1/2 inch bright red "jewel" fruits lasting all winter.

### **Accolade Elm \$165**

Mature height: 75 feet, vigorous growth, excellent drought tolerance and good strong yellow fall color, has excellent disease resistance to both Elm Yellows and Dutch Elm Disease.

### **Crescendo Maple \$165**

Height: 65 feet - Green foliage with a yellow cast in summer, yellow with a red margin in fall.

### **London Planetree \$165**

Mature height: 60 feet, mature width: 40-50 feet, excellent shade tree; large, lustrous, green foliage in summer and yellow fall color. Wonderful park or street tree.

### **Redmond Linden \$165**

Height: 40 feet, spacing: 35 feet - Light green leaves with showy yellow fall color.

### **State Street Maple \$165**

Mature height: 60 feet, mature 50 foot spread at base, excellent branching character, clean foliage and good yellow fall color; superior heat/drought tolerance.
