

50/50 Parkway Tree Program - Spring 2013

The City is again offering trees for planting in the parkways through its "50/50 Parkway Tree Planting Program." Please call the Public Works Office at 630.377.4405 to request a review of your parkway if you are interested in participating in this program. *Order forms will not be accepted without an approved parkway review.* Once approved, the City's tree consultant will plant, mulch and provide a gator bag (where necessary) to assist with watering needs of the tree. The gator bag is the property of the City of St. Charles.

Trees will be planted in early April/May. Each tree delivered is balled and burlaped with average size being 2.5" in diameter. Species may vary upon availability and diversification needs in your area. Each tree is covered by a one-year warranty. If the tree dies or looks unhealthy please call the Public Works office at 630.377.4405.

Prairie Fire Crabapple \$130 *Good under power lines*

Mature height: 20 feet – leaves deep red-purple mature to dark green, bright orange fall foliage; attract songbirds.

Red Jewel Crabapple \$130 *Good under power lines*

Mature Height: 15 feet, Width: 12 feet – pink buds open to pure white blooms in early May, strong medium green leaves turn a slight burgundy bronze in the fall, lively 1/2 inch bright red "jewel" fruits lasting all winter.

Accolade Elm \$165

Mature height: 75 feet, vigorous growth, excellent drought tolerance and good strong yellow fall color, has excellent disease resistance to both Elm Yellows and Dutch Elm Disease.

Chanticleer Pear \$160 - Spring Only

Mature height: 25-35 feet – Pyramidal tree that is much narrower than other ornamental pears. It has attractive white flowers, green foliage and red fall color.

London Planetree \$170

Mature height: 60 feet, mature width: 40-50 feet, excellent shade tree; large, lustrous, green foliage in summer and yellow fall color. Wonderful park or street tree.

Redmond Linden \$165

Mature Height: 40 feet, spacing: 35 feet – Light green leaves with showy yellow fall color.

Skyline Honey Locust \$165

Mature Height: 50-70 feet, spacing: 60 feet – An excellent street tree for providing filtered shade with small leaves; early golden yellow fall color and fruitless.

State Street Maple \$165

Mature height: 60 feet, mature 50 foot spread at base – Excellent branching character, clean foliage and good yellow fall color; superior heat/drought tolerance.

Swamp White Oak \$215 - Spring Only

Mature Height: 50-60 feet - Leaves are medium green with white undersides; bark exfoliates when young exposing reddish tan color; fall color is yellow with a red margin.

Upon approval, orders may be mailed or delivered using this order form, along with a check or money order payable to the City of St. Charles. Please send to the Utility Billing Office, 2 E.
