1. All candidates listed above have completed and passed the required written, physical agility, and oral examinations. They are eligible for appointment, subject to manpower authorization by the City Council and subject to a background investigation. Once a satisfactory background investigation is complete, a conditional offer will be made and psychological, polygraph, and physical examinations will be conducted.
2. The names on this final eligibility register shall remain on said list for a period of two(2) years from the date of the posting, unless a candidate is offered and accepts employment, is offered employment and refuses to accept the appointment, or the candidate requests to have their name stricken from the list.
