<b>Proposed Cost:</b> \$ 679,442		<b>Budgeted Amount:</b> \$680,000	<b>Not Budgeted:</b> <input type="checkbox"/>
<b>TIF District:</b> None			
<b>Executive Summary</b> (if not budgeted, please explain): <p>The City of St. Charles levies a separate property tax for mental health services to support agencies that provide mental health services to residents of the City of St. Charles. This tax levy was approved by voters via referendum in the spring of 1986 and has been in place since that time. The effective property tax rate historically has been about \$0.04/\$100 of EAV. The amount levied for 2024 was \$680,000 which, based on the County's final tax extension calculations, resulted in a property tax rate of \$0.0336. Increases in EAV for new construction and existing property have resulted in a lower tax rate.</p> <p>The City's 708 Mental Health Board administers the funding application process and makes annual recommendations of funding allocations to the various agencies providing these services. The recommended funding allocations for the 2025-2026 funding cycle are attached, as well as the historical allocations.</p> <p>Richard Rivard, Chair of the 708 Mental Health Board, will present an overall summary on behalf of all the groups that have requested funding for FY 2025-2026. Additionally, representatives from the seven individual groups that will receive more than \$25,000 in funding will be available should there be any specific questions regarding the services they provide. These organizations include:</p> <ul style="list-style-type: none"> <li>• Association for Individual Development (AID)</li> <li>• CASA Kane County</li> <li>• City of St. Charles Police Department</li> <li>• Ecker Center for Mental Health</li> <li>• Lazarus House</li> <li>• Lighthouse Recovery</li> <li>• TriCity Family Services</li> </ul>

	<b>AGENDA ITEM EXECUTIVE SUMMARY</b>		Agenda Item number: 5b
	Title:	<b>An Ordinance of the City of St. Charles Implementing a Municipal Grocery Retailer's Occupation Tax and a Municipal Grocery Service Occupation Tax</b>	
	Presenter:	<b>Bill Hannah, Director of Finance</b>	
<b>Meeting:</b> Government Operations Committee <b>Date:</b> June 16, 2025			
<b>Proposed Cost:</b> N/A		<b>Budgeted Amount:</b> N/A	<b>Not Budgeted:</b> <input type="checkbox"/>
<b>TIF District:</b> None			
<b>Executive Summary</b> (if not budgeted, please explain):  <u><b>Background</b></u> <p>Currently, the State imposes and collects a 1% sales tax on a group of items classified as food not prepared for immediate consumption (or grocery-type items), drugs and prescriptions and medical appliances. All of the revenue, or 100%, generated by this tax from sales within the City of St. Charles is returned to the City and provides funding for core City services including police, fire, public works and other services. This State tax is separate from the State's general merchandise sales tax of 6.25% (of which the City receives a 1% share) and the City's separate home rule general merchandise sales tax rate of 1.5%.</p> <u><b>Elimination of 1% Tax on Groceries by the State</b></u> <p>Last year, the State passed Public Act 103-0781 which eliminated the State's 1% retail sales tax as it applies to grocery-type items effective January 1, 2026. City staff has estimated that this legislation will result in a revenue loss to the City of approximately \$2 million dollars a year, significantly impacting the City's overall budget. The primary locations within the City of St. Charles that sell grocery-type items at retail include Costco, Jewel-Osco (2 locations), Meijer, Walmart, Target, Aldi and the soon to be opening Whole Foods.</p> <p>The legislation approved by the State provided municipalities with the option to re-enact the tax locally at the existing 1% rate, essentially maintaining the status quo and existing tax structure. Municipalities who elect to maintain the existing tax must file an Ordinance to the Illinois Department of Revenue (IDOR) by October 1<sup>st</sup>, 2025 in order for the tax to be in place by January 1<sup>st</sup>, 2026. This follows the existing IDOR deadline requirements for any sales tax rate change; October 1<sup>st</sup> filing deadline to be effective January 1<sup>st</sup> or an April 1<sup>st</sup> filing deadline to be effective July 1<sup>st</sup>.</p> <u><b>Considerations</b></u> <p>Based on prior analyses and utilization of the City's Placer.ai analytics platform, a majority of foot traffic at the primary retail locations within the City selling grocery items is generated from non-St. Charles zip codes. This supports the assumption that a significant portion of the sales tax revenue generated from this tax to support City services comes from non-residents.</p>			

In the past, the City has utilized the grocery tax as part of an economic incentive to help locate grocery or general warehouse retail establishments. Most recently, the City was able to incentivize Whole Foods to locate at the former Blue Goose grocery store in downtown by partially pledging a rebate of sales tax revenue received by the City. Prior to Whole Foods, the City was able to incentivize the location of the existing Costo warehouse in 2008 by utilizing the sales tax revenue generated by the development to repay obligations issued to support its location. Elimination of the grocery tax would limit the ability of the City in the future to use economic incentives to attract grocery-type stores to St. Charles.

The City could consider other options to address the fiscal impact of this tax elimination by the State. However, some of those options such as an increase in property taxes or increase in other sales taxes or excise taxes could place more of the tax burden on residents, or specific types of businesses. As has been previously discussed, the City is already facing some structural budget challenges. Consideration of budget reductions to address the fiscal impact would have an impact on services received by the community that would impact public health and safety.

#### **Other Communities Adopting Local Grocery Tax**

As of May 28, 2025, the Illinois Department of Revenue reported that 192 cities and villages in the State have already adopted and filed an Ordinance with IDOR to continue the existing 1% grocery tax. Some of those municipalities near St. Charles include Batavia, East Dundee, Elburn, Montgomery, North Aurora, Sugar Grove, South Elgin and Yorkville. Other nearby communities are considering the adoption of an Ordinance in the next couple of months.

#### **Staff Recommendation**

Based on the above considerations, staff recommends approval of an Ordinance which would continue the existing 1% grocery tax. The State would continue to collect the tax and remit the funds to the City. Approval of the Ordinance would essentially maintain the existing status quo and does not implement any new taxes vs. what currently exists.

Re: Background Investigation- 345 North Ave, LLC dba Brother Chimp Brewing, 303 N. 4th St., St. Charles (Class A-4)

---

The purpose of this memorandum is to document and forward to your attention the results of the background investigation conducted by members of the St. Charles Police Department concerning the above-mentioned establishment.

Brother Chimp Brewing will be located at 303 N. 4th St, which was the previous location of D and G Brewing. The owner, Stephen Newman, signed a one-year lease and will take over the space once the liquor license is obtained. Newman is the current owner and manager of the North Aurora location for Brother Chimp Brewing. The business will have similar operations and business plans.

The site location/floor plans and the corresponding application materials were reviewed by my staff. We found nothing of a derogatory nature that would preclude either the site location or the applicant from moving forward with a brewery and on-site consumption license, subject to City Council approval.

Please see the application material, floorplan and business-plan for further details.

This investigation was based on the application submitted for Class A-4 license for the business, Brother Chimp Brewing. Class A-4 licenses shall authorize the retail sale of beer, wine, or spirits for consumption on or off the premises, where brewed, distilled, or fermented on the premises, provided the retail sale of beer or wine for consumption off the premises shall be in original packages only.

**APPLICANT:**

Newman, Stephen C

DOB: [REDACTED]

[REDACTED]

Telephone: [REDACTED]

**APPLICATION:**

The application was received on 06/06/2025. The application is complete to include a lease, Certificate of Insurance (Dram Shop), floor plan and Basset Certification. The Basset Certification is for the owner and on-site manager, Stephen C. Newman. The attached lease agreement is a 1-year lease through Larson Properties Group.

**APPLICANT INTERVIEW:**

On 06/10/2025, I met with the applicant/owner of Brother Chimp Brewing, Stephen C. Newman at the St. Charles Police Department reference this background investigation. Stephen signed all waiver forms to allow me to complete this background investigation.

**INTERVIEW CONTINUED:**

Stephen stated that he currently resides at [REDACTED].  
Stephen stated that he has resided at this address for 22 years.

Stephen explained that Brother Chimp Brewing is set to open at 303 N. 4th Street in St. Charles, Illinois. He currently owns and operates Brother Chimp Brewing at 1059 W. Orchard Road in North Aurora, Illinois. Stephen stated that he has been operating this business for the last 5 years. Stephen mentioned that he is a close friend of the former owner of D&G Brewing and had always liked the location. When Alexander closed D&G Brewing, Stephen decided to move forward with opening his own business at that site.

Stephen indicated that he intends to make only cosmetic improvements to the business and does not plan any major renovations. Stephen stated that the floor plan will remain the same as D&G Brewing. He also mentioned that he will serve as the on-site manager initially but expects to hire a new on-site manager once the business is established. Additionally, Stephen stated that he will hire two new employees and have some staff from his North Aurora location work at the St. Charles site.

Stephen mentioned that he has not yet purchased any products for the business. He plans to sell wine, spirits, and his own brews. Stephen noted that the business does not have a kitchen and will offer the same snacks available at his North Aurora location, including chips, pretzels, crackers, breadsticks, and Ream's beer sticks. Stephen also mentioned that he plans to hire food trucks. He was informed that additional permits will be required for the food trucks. Stephen stated that he intends to open the business as soon as he obtains his liquor license. He outlined the hours of operation as Monday through Thursday from 3:00 PM to 9:00 PM, Friday and Saturday from 12:00 PM to 10:00 PM, and Sunday from 12:00 PM to 7:00 PM. I asked Stephen if I would be able to conduct a site inspection. Stephen explained that he will not have possession of the business until his liquor application is approved.

I asked Stephen what types of brews he plans to offer at his St. Charles location. He explained that the selection will primarily mirror what he currently offers at the North Aurora location. Stephen also mentioned that his brews are distributed to a variety of businesses throughout Kane, DeKalb, and DuPage Counties, including Ream's Meat Market, The Hive Tavern, The Graceful Ordinary, The Lewis, Woodman's in North Aurora, Lundeen's in St. Charles and Sycamore, Binny's, and several other businesses and taverns. (Refer to the attached brew menu and list of retail locations for details.)

Stephen submitted fingerprints to both the FBI and Illinois Bureau of Identification, which came back with negative criminal history.

I ended my interview with Stephen and provided him with a business card. I informed Stephen that he is required to attend the Liquor Control Commission hearing scheduled for June 16, 2025, at 4:30 p.m. in the City Council Chambers. Stephen acknowledged the date and confirmed his attendance. I informed Stephen that I would contact him if the date changed.

6. **RULES AND REGULATIONS.** Lessor has the right to institute reasonable rules and regulations as may later be required by Lessor for the necessary, proper and orderly care of the Building in which Premises are located; provided that such rules and regulations would not interfere with Lessee's ability to operate a microbrewery on site.
7. **ASSIGNMENT; SUBLETTING.** Lessee shall neither sublet the Premises or any part thereof nor assign this Lease nor permit by any act of default any transfer of Lessee's interest by operation of law, nor offer the Premises or any part thereof for lease or sublease, nor permit the use thereof for any purpose other than above mentioned, without in each case the written consent of Lessor.

This request shall not in any way be construed as requiring any compliance therewith on the part of the Lessor, except as required by Illinois statute. If the Lessee shall fail to pay the rent at the times, place and in the manner above provided, and the

same shall remain unpaid five days after the day whereon the same should be paid, the Lessor by reason thereof shall be authorized to declare the term ended, and the Lessee hereby expressly waives all right or rights to any notice or demand under any statute of the state relative to forcible entry or detainer or landlord and tenant, and agrees that the Lessor, his agents or assigns may begin suit for possession or rent without notice or demand. 10. **REMOVED PROPERTY.** In the event of re-entry and removal of the articles found on the Premises as hereinbefore provided, the Lessee hereby authorizes and requests the Lessor to sell the same at public or private sale with or without notice, and the proceeds thereof, after paying the expenses of removal, storage and sale to apply towards the rent reserved herein, rendering the overplus, if any, to Lessee upon demand.
11. **LESSOR NOT LIABLE.** Except as provided by Illinois statute, the Lessor shall not be liable for any loss of property or defects in the Building or in the Premises, or any accidental damages to the person or property of the Lessee in or about the Building or the Premises, from water, rain or snow which may leak into, issue or flow from any part of the Building or the Premises, or from the pipes or plumbing works of the same. The Lessee hereby covenants and agrees to make no claim for any such loss or damage at any time. The Lessor shall not be liable for any loss or damage of or to any property placed in any storeroom or storage place in the Building, such storeroom or storage place being furnished gratuitously, and no part of the obligations of this lease.
12. **OPTION TO TERMINATE.** In the event that the Lessor, his successors, attorneys or assigns shall desire to regain the possession of the Premises herein described, due to the sale of the property, Lessor shall have the option of doing so upon giving the Lessee six months notice of Lessor's election to exercise such option. Lessee shall vacate the premises within the six month period in return for six month's free rent.
13. **CONFESSION OF JUDGEMENT.** If default be made in payment of rent, or any installment thereof, as herein provided, Lessee hereby irrevocably constitutes any attorney of any Court of Record in this State, attorney for Lessee and in Lessee's name, from time to time, to enter the appearance of Lessee, to waive the issuance of process and service thereof, to waive trial by jury, and to confess judgment in favor of Lessor against Lessee for the amount of rent which may be then due hereunder, together with costs of suit and a reasonable sum for plaintiff's attorney's fees in or about the entry of such judgment, and to waive and release all errors and right of appeal from any such judgment, and to consent to an immediate execution thereon.

Meeting: Government Operations Committee		Date: June 16, 2025	
Proposed Cost: \$ NA		Budgeted Amount: \$	Not Budgeted: <input type="checkbox"/>
<b>Executive Summary</b> <i>(if not budgeted please explain):</i>  <b><u>Background</u></b> <p>The City of St. Charles has consulted with SB Friedman to prepare an amendment to the First Street TIF District to extend the life of the TIF for an additional twelve years. In 2024, the City of St. Charles presented information regarding the proposed First Street TIF extension to all impacted taxing bodies and boards and received all required letters of support. In January 2025, the Illinois General Assembly formally approved and codified the TIF extension under 65 ILCS 5/11-74.4-3.5(c) (281). With state approval now in place, the City must complete the local approval process, which includes various forms of public notice, a Joint Review Board meeting, and a Public Hearing. Staff has created project page on the First Street TIF extension with more information: <a href="#">First Street TIF Amendment - City Of St. Charles, IL</a>. The First Street TIF Amendment No. 3 document is available on the project website or available for public viewing in the City Clerk's Office.</p> <b><u>Ordinance</u></b> <p>Pursuant to the Tax Increment Allocation Redevelopment Act, the City of St. Charles is required to approve an ordinance setting a date and time for a Joint Review Board to convene and review the First Street Redevelopment Project amendment. Additionally, the City needs to establish a date and time for a public hearing. The purpose is to allow comments from any interested persons or entities regarding the proposed approval of the amendment. The proposed ordinance sets both the convening of the joint review board and public hearing dates as follows:</p> <p>Joint Review Board: July 29, 2:30pm, at St. Charles City Hall  Public Hearing: September 2, 7:00pm, at St. Charles City Hall</p> <b><u>Interested Parties</u></b> <p>Any individual or organization interested in obtaining information pertaining to the First Street TIF Amendment is entitled to register as an Interested Party. Upon registration, Interested Parties will be entitled to receive all notices and documents required to be delivered under the Act and the City's Registration Rules with respect to the Redevelopment Project Area. Registration forms can be picked up at the St. Charles City Clerk Office or found on the City's website: <a href="#">Notice of Proposed First Street TIF District Amendment Availability - City Of St. Charles, IL</a></p>

WHEREAS, the Act requires the City to conduct a public hearing prior to the adoption of ordinances approving any amendment to the Redevelopment Plan and adopting the extension of tax increment allocation financing, at which hearing any interested person or affected taxing district may file with the City Clerk written objections to and may be heard orally with respect to the proposed approval of Amendment No. 3, the continued designation of the Redevelopment Project Area, and the extension of tax increment allocation financing therefor; and
