

Addendum #1

Information Security Program Development Services

City of St. Charles

The City of St. Charles is seeking qualified contractors with experience in information security consulting, risk assessments, and information security program development to present their qualifications and a proposed scope of work to provide **Information Security Program Development** services.

Proposals are due by email no later than 3:00 p.m. (CDT) on September 23, 2016 addressed to the following:

Michael Drake
City of St. Charles
Information Systems Department
mdrake@stcharlesil.gov

Proposers are required to submit one electronic version (PDF) of the proposal and one electronic version (PDF) of the cost proposal.
