

## **NOTICE TO BIDDERS**

### **Electric Overhead Contractor**

St. Charles Municipal Electric Utility is seeking an overhead line contractor to reconductor approximately 2000' of existing three phase 12kV circuit to a ACS-3098 Hendrix system. This work will be contracted as a firm lump sum price.

Additionally, St. Charles is seeking a loaded crew rate for other overhead work, including emergency restoration work.

Bids for Overhead Contractor, as described in the accompanying technical scope, shall be received before **10:00a.m, Thursday, April 9, 2015**, at the City of St. Charles City Hall, Two East Main Street, St. Charles, IL 60174, Council Chambers, Attention: Purchasing. Proposals will be read aloud at this time. Any proposal received subsequent to the time specified will be promptly returned to the Contractor unopened.

Bids shall be in a sealed envelope labeled with "Sealed Bid - Electric Overhead Contractor."

Interested Contractors shall "register" with Tom Bruhl and provide name, phone number, and e-mail address as soon as practical.

Any questions shall be submitted to Tom Bruhl (Engineer) via e-mail to the following e-mail address:

tbruhl@stcharlesil.gov

Upon receipt of questions prior to **April 3, 2015**, the Contractor shall receive a reply e-mail acknowledging the receipt of the question. Response to the question shall be as soon as practical. Should the question result in a clarification that requires addenda, such addenda will be issued to all registered Contractors, via e-mail, as soon as practical.

Questions submitted after 8AM, April 3, 2015 shall not be acknowledged or answered. Contractors shall take all necessary steps to propose questions prior to April 3.

City reserves the right to extend the due date. Should an extension be necessary, communication of such shall be e-mailed to all registered Contractors.
