A building permit is required prior to any construction or alteration to a parking lot. The following are guidelines and comments for obtaining a building permit.

### Application and Drawings Procedures:

- ▶ Both applications are to be filled out and submitted to the Building & Code Enforcement Department. The contractors names, addresses, phone numbers and, if required, their license numbers are to be filled out when submitting the application.
- ▶ Submit four (4) copies of the plat of survey showing location of all existing and proposed buildings and structures, utilities, grading, and easements. Please include existing and proposed parking and/or loading facilities, showing paved areas, curbing, access drives, setbacks and yards areas, adjoining streets.
- ▶ Submit four (4) copies of plans showing the full details on the landscaping for the parking lot.
- ▶ Submit details on the stripping and sign details for the parking lot.
- ▶ Submit details on the lighting system and heights of light poles for the parking lot.
- ▶ Our goal is to complete the review of your building permit within 10 working days.
- ▶ If overall disturbance is more than 5,000 square feet, a Storm Water Permit is required. If there are questions on this Storm Water Permit, contact Development Engineering at 630/443-3677.
