*Please direct any and all questions to the City of St. Charles Building & Code Enforcement Division: Monday through Friday (8 AM to 4:30 PM) at 630.377.4406*

A building permit is required prior to any demolition of a structure. The following are guidelines and comments for obtaining a building permit.

## **Application and Drawings Procedures:**

- ▶ An application is to be filled out and submitted to the Building & Code Enforcement Division. The contractor's names, addresses, phone numbers and, if required, their license numbers are to be filled out when submitting the application.
- ▶ Eight (8) copies of the plat of survey of the site for demolition are to be submitted with the application.
  - The application along with a copy of the survey will be forwarded to the following departments: Electric, Water, Sewer, Water, Fire Prevention, Public Works City Arborist, Development Engineering Division, and Water Meter Division (application only) for their review and comments. The building permit will not be issued until all reviews are completed.
- ▶ Our goal is to complete the review of your building permit within 10 working days.

## **Application – Permit Fees: All fees are to be paid in the form of check, cash or money order.**

- Residential: **\$300.00** – due at time of submittal.
- Non-Residential: **\$425.00** – due at time of submittal
- All partial demolitions that do not include disconnect of any utility service  
–Base fee of **\$50.00** – due at time of submittal

## **Homeowner – Contractor Responsibilities:**

- ✓ It is the responsibility of the applicant to arrange for the utilities to be disconnected. The information is to be recorded on the second page of the application under the Utility Disconnection Information Section. Be advised a building permit will not be issued until all utility services have been disconnected. **A letter is required to the attention of the Building & Code Enforcement Division from NICOR Gas Company advising of the completion of the disconnection from the subject property.**

## **Inspections**

### **Inspections prior to permit being issued:**

- △ Silt fence for erosion control
- △ Fencing of lot
- △ Fencing for tree protection – on lot and parkway
- △ Restroom facilities

### **Inspections during demolition:**

- Sewer and water capping (at main)
  - Secure R.O.W. permit if necessary
