Subject: Illinois St. Utility Repairs

Dear Resident:

The City of St. Charles would like to inform you of upcoming lane closures adjacent to your home or business. In order to perform utility repairs in the roadway, there will be two days of lane restrictions on Illinois St. between S. 1st St. and S. Riverside Ave.

Monday 7/1/19:

- Westbound traffic will be reduced to one lane. The road will be closed to eastbound traffic during the day and will be re-opened overnight. Eastbound traffic will be required to utilize alternative routes.
- Access to the businesses on the south side of Illinois will only be available from the east via S. Riverside Ave. Left turns out of the parking lot will not be available during construction.
- Parking garage access on the north side of Illinois St. will not be impacted.

Tuesday 7/2/19:

- Eastbound will be traffic shifted north.
- Business and parking garage access should not be impacted.
- Left turns out of the parking lot will not be available during construction.

CONTACT INFORMATION:

The City appreciates your patience during this project. If you have any questions, please feel free to contact Chris Gottlieb, Civil Engineer II, for the City of St. Charles at 630-377-4486 or via email cgottlieb@stcharlesil.gov.

Thank you for all of your help and understanding throughout this construction project. We know you will be better served by these improvements and look forward to serving you in the future.

Sincerely,

Chris Gottlieb, P.E.
Civil Engineer II

RAYMOND P. ROGINA *Mayor*
MARK KOENEN, P.E. *City Administrator*
