City of St. Charles 2024 Street Rehabilitation Project Gets Underway the Week of April 29

ST. CHARLES, Ill. (April 26, 2024) – Work is anticipated to start the week of April 29 for the City of St. Charles 2024 Street Rehabilitation Program. Work includes spot-repairs of curbs, sidewalks, and utilities, and will primarily consist of pavement grinding and replacement. A total of nearly 13 miles of roadway is included in this year’s program, making it one of the largest for the City. More information, including the list of streets and construction updates is on the City website at [2024 Street Rehabilitation Project](#).

Residents on streets scheduled to be resurfaced will receive a letter in the mail from the Public Works Department with additional information. The entire project is expected to be completed by early November 2024.

About the City of St. Charles

The City of St. Charles, Illinois, is guided by the three driving principles in its Mission: *Service. Tradition. Community.* Together, these principles create a thriving environment for people who live or visit here, and for businesses to prosper. Our City has gained national recognition as a family-friendly town and wide acclaim for its architecture, living up to its nickname *Pride of the Fox*. Conveniently located 35 miles west of Chicago, in Kane and northwestern DuPage counties, St. Charles is home to 33,000 residents and a balanced mix of more than 2,000 businesses that employ approximately 28,700 people.
