NOTE: Private covenants and deed restrictions can limit private property rights with respect to the use of land even though the City's Zoning Ordinance may authorize the use or a less restrictive use. We strongly advise that

you perform a title search on the property to determine if there any private covenants containing use restrictions or other deed restrictions. As those private covenants and deed restrictions may conflict with the City's Zoning Ordinance, it is further recommended that you consult with an attorney to obtain an opinion with respect to whether your intended use is compatible with those restrictions.

INCLUSIONARY HOUSING REQUIREMENTS

Background:

St. Charles Municipal Code Title 19 “Inclusionary Housing”, requires developers of new residential developments to provide a proportionate share of affordable housing units within the development, or to pay a fee in-lieu of providing affordable housing units. Developers may also provide a mix of affordable housing units and fee in-lieu.

Affordable housing is defined as housing that has a sales price or rental amount that is within the means of a household with income at or below 80% Area Median Income (AMI) for for-sale units and at or below 60% AMI for rental units, adjusted for household size. See Title 19 for complete definitions.

The maximum price of affordable for-sale units and affordable rental units required by Title 19 shall be no greater than the affordable purchase price and affordable rent established annually by the Illinois Housing Development Authority (IHDA). Contact the Planning Division for the most recent affordable prices from IHDA.

Development Cost Offsets:

Developments that provide affordable housing units may be eligible for the following:

- Density Bonus equivalent to one bonus unit for each affordable unit constructed, up to 120% of base density.
- Waiver of building permit, demolition, plan review, and sewer/water connection fees for the required affordable units.
- Waiver of School and Park cash contributions (when required in lieu of park and land dedications) for the required affordable units.

Submission Requirements:

Submit information describing how the residential development will comply with the requirements of Title 19, “Inclusionary Housing”. **Use the Inclusionary Housing Worksheet** to calculate the number of required affordable units to be incorporated within the residential development, or the required fee in-lieu payment.

If the development will include affordable units, submit the following additional information:

- The number of market-rate and affordable for-sale and rental units to be constructed, including type of dwelling, number of bedrooms per unit, proposed pricing, and construction schedule, including anticipated timing of issuance of building permits and occupancy certificates.
- Documentation and plans regarding locations of affordable units and market-rate units, and their exterior appearance, materials, and finishes.

City Council Determination:

City Council will review the proposal to comply with the requirements of Title 19 “Inclusionary Housing” and will determine whether affordable units, fee in-lieu, or a mix of affordable units and fee in-lieu will be accepted.
