Subject: Illinois Bridge Repair Project - Notifications

The City is pleased to inform you that the City is undertaking a repair project on the Illinois Bridge over the Fox River aimed at maintaining current bridge infrastructure within the community.

CONTRACTOR: The contract for this work has been awarded to Herlihy Mid-Continent Co. of Romeoville, IL.

START & COMPLETION DATES: The work is tentatively scheduled to begin around June 1st, with completion anticipated in early September. All work is weather pending.

IMPROVEMENTS & PROCESS: The scope of work includes joint reconstruction, concrete repairs, sidewalk and curb repairs, approach pavement reconstruction.

TRAVEL LANE & SIDEWALK CLOSURES: During construction the roadway will remain open to traffic, but it will be reduced to one lane in each direction from Riverside Avenue to First Street to allow the contractor to work on half of the bridge at a time. During portions of this work in coordination with the First Street Development project, sidewalk access will be detoured to the pedestrian bridge located south of the Illinois Bridge.

PROPERTY ACCESS: All entrances will remain open. If during the course of construction something changes, we will notify you. If you should require special assistance or special access please don't hesitate to ask. The City will do its best to accommodate all special requests.

PROJECT WEBSITE: Updates regarding this project can be found on the City's website at www.stcharlesil.gov/projects. Look for the **Illinois Bridge Repair Project**. The City will be adding project updates as they become available, so please check back frequently.

CONTACT INFORMATION: The City appreciates your continued cooperation and patience during this large-scale project. If you have any questions, please feel free to contact Karen Young at 630-377-4405 or via email: kryoung@stcharlesil.gov.

I would like to thank you for all of your help and understanding throughout this construction project, and we look forward to serving you in the future.

Sincerely,

Karen R. Young, P.E.
