3. Discuss why any objectives were not reached or why implementation is behind schedule:

4. What are the recommendations for new projects or revised recommendations?

New recommendations:

None at this time.

Revised recommendations:

Action Item 9, Improved Emergency Response

Item 9.10:

The relocation of the Emergency Operation Center from City Hall to Fire Station One, and the outfitting the new EOC. Included in the plan in 2009.

Status: As of 2020 the EOC has been relocated to Fire Station One and outfitted. This task will be omitted from the plan update.

Item 9.11:

The installation of an AM radio station in the Emergency Operations Center to provide information to vendors and attendees at the City's numerous festivals. Included in the plan in 2009.

Status: This approach to distributing information is considered as obsolete with the common use of social media. This task will be omitted from the plan update.
