ST. CHARLES, III. (Jan. 2, 2024) – The City of St. Charles is in the process of redesigning its website. The new website will make it easier to navigate, find important information, and conduct City business online. The website is a component of a complete public engagement platform that the City will roll out in the coming years.

Before we begin to finalize the look and feel of the website, we would like to hear from users of our website. The public is invited to participate in a Zoom webinar on Jan. 11, 2024 at 6 p.m. to review the draft design and provide feedback. A survey also will be available at the end of the webinar to share your thoughts.

How to Participate in the Webinar

- After registering, you will receive a confirmation email containing information about joining the webinar.
- Webinar attendees who complete the survey at the end of the webinar are automatically entered to win a drawing for a \$25 gift card to a local business. Three eligible winners will be drawn.
