Dear Nancy,

On behalf of the Board of Directors and staff of TriCity Family Services, please accept our heartfelt appreciation for the St. Charles' Youth Commission's continued support.

Your generous gift of \$2,000 support will help ensure that affordable mental health services are accessible to the children, teens, and their families residing in St. Charles. Teens continue to be our priority through 2016 and we are grateful for your support in increasing our ability to serve them.

Through our counseling, group programs, and the continuation of our outpatient Family Based Treatment for Eating Disorder program, we plan, with your support, to serve more teens than we ever have before. Being in a therapy setting, we at TriCity Family Services always believe in a family-based approach to change. As we build on our strength and expertise in serving teens, your support is one of our greatest assets!

On behalf of all the area teenagers that TCFS will reach in St. Charles, we thank you for your supporting our mission and our work.

Gratefully,

James R. Otepka
Executive Director

Hi Nancy

The Share and Care club has made and dropped off a large bundle of pillows to Central DuPage Hospital's Breast Health Center, for women who have had breast cancer surgery.

We will be finishing up some more pillows next week that we will be dropping off at Delnor Hospital's Breast Health Center.

We are heartbroken that there is such a need for the pillows, but we are thankful that we can show love, support, and comfort to women who are breast cancer survivors.

Thank you so very much for your continued support of our project.

Sincerely,

Angie Russell

Hi Nancy,

We can't thank you enough for your support of this year's Hope Hustle.

As you know the Hope> message and work we do helps achieve our goals with a suicide prevention message and events that are important to our community.

We had almost 500 participants on campus this year and in the end raised about 7500 in prevention funds and have already begun to help community members with those funds.

I hope this is what is needed for your report.

We would also like to thank Miss Ascharya and Mrs. Liechty for offering homes to our Little Free Libraries.

We are grateful to the members of the Operations Crew, who worked to install our library for us.

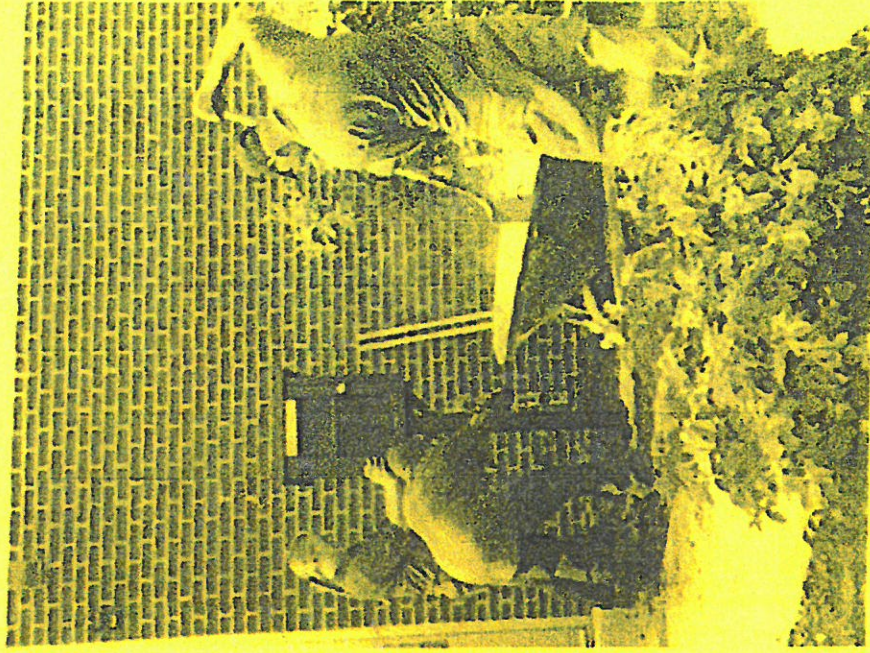

Our library would not be stocked without the book donations of families and friends-thank you!

A heartwarming thank you to the St. Charles Youth Commission, who offer grants for projects led by students who want to make a difference in their communities-we are grateful!
