Bid Waivers are required when there are unique circumstances related to a proposed procurement that has not been competitively solicited.

1. This procurement is valued at \$_____ for this one-time order, and/or \$_____ for a 12-month period.
2. This good/service has been competitively solicited within the past 24 months. YES NO
If Yes, Was the solicitation published on the city website? YES NO

3. Justification for Bid Waiver:

Emergency i.e. declared by the Mayor and applicable to EOC/FEMA procedures.

Urgent i.e. required to resolve an unanticipated problem that, if not resolved within 48 hours, may cause undue risk to individuals and/or extensive damage to property.

Need for these goods/services were **not anticipated and procurement through normal channels would take too long.**

A responsible **contractor was on site** performing a related repair, and based on professional judgement; it was prudent to request this service/repair from said contractor.

These goods are replacement parts for a **warrantied item, and the warranty is still in place**, and purchase of a non-brand item will jeopardize warranty.

These goods/services are **inherently related to, and an ongoing part of**, other goods/services previously provided by the Provider.

These goods utilize a **proprietary, patent, trademark, or customized programming** resulting in lack of competition.

These goods are **standardized** for operational safety and efficiency.

These goods are only available through the provider's **local distribution** channels.

These goods/services were purchased through a **Cooperative Purchasing Agreement.** _____

This quotation is valid through August 30, 2024. In the event you delay the Shipment Date for any reason, we reserve the right to revise the prices listed herein or revoke the quote in its entirety.

Normal shipments shall begin within approximately 40-42 weeks after our acceptance of your formal purchase order so long as you have provided all technical details and data required to release the equipment for manufacture (the "Shipment Date"). If a better shipping schedule is required, please consult the Factory for review of our current manufacturing schedule. When drawing approval is required, the Shipment Date will be delayed by the time necessary for the drawing approval process. Approval drawings (if required) will be submitted within approximately 3-4 weeks after our acceptance of an order. Hold for approval orders not released within 30 days shall be reviewed and subject to price increases. The Shipment Date is subject to change at time of order release based on current production backlog.

Freight Terms

- (1) **Freight will be EXW Factory with seller paying freight.**
- (2) The seller will determine the method of transportation and the routing of the shipment. Where the purchaser requires shipment by a method of transportation or routing other than that of the seller's selection, any additional transportation and/or packing expense is to be borne by the purchaser.
