Presenter:	<b>AJ Reineking, Public Services Division</b>		
<b>Meeting:</b> Government Services Committee		<b>Date:</b> April 1, 2024	
<b>Proposed Cost:</b> Up to \$75,000		<b>Budgeted Amount:</b> \$ 75,000	<b>Not Budgeted:</b> <input type="checkbox"/>
<b>TIF District:</b> None			
<b>Executive Summary</b> (if not budgeted, please explain):			
<p>The City recently opened bids for the purchase of asphalt materials for roadway and parking lot patching and repair programs performed by Public Services Division staff. The City received three qualified responses to this bid solicitation.</p> <p>The Public Works Department utilizes asphalt materials for in-house maintenance to patch roadways throughout the year, and to restore roadways after underground infrastructure repairs. Because the City utilizes its own staff and trucks to pick up the material, part of the advertised basis of award was a formula that calculates a rate based on the distance of each bidding asphalt plant from the Public Works Complex.</p> <p>Superior Asphalt Materials, LLC of North Aurora submitted the lowest responsive bid for the provisions of these materials. The City has utilized material from Superior in the past and found the material to meet the City's standards.</p>
