

 <p>CITY OF ST. CHARLES ILLINOIS • 1834</p>	AGENDA ITEM EXECUTIVE SUMMARY		Agenda Item number: *5.K								
	Title:	Recommendation to Approve a Resolution to Authorize a Contract for the 2024 Geotechnical Investigations Program									
	Presenter:	Chris Gottlieb									
Meeting: Government Services Committee		Date: April 24, 2023									
Proposed Cost: \$ 36,952		Budgeted Amount: \$50,000	Not Budgeted: <input type="checkbox"/>								
TIF District: None											
Executive Summary (if not budgeted, please explain):											
<p>This work consists of conducting pavement cores and soil borings on streets which are being considered for inclusion in the 2024 Street Rehabilitation Program. The cores and soil borings provide vital data for determining the course of action on each of the streets being considered.</p> <p><u>Bid Results:</u> On April 5, 2023, sealed bids for the 2024 Geotechnical Investigation Program were electronically submitted. The City received a total of four bids for this project, with the results shown below:</p> <table border="0"> <tr> <td>MSET</td> <td style="text-align: right;">\$36,952</td> </tr> <tr> <td>ECS</td> <td style="text-align: right;">\$42,000</td> </tr> <tr> <td>GSG</td> <td style="text-align: right;">\$55,500</td> </tr> <tr> <td>CEC</td> <td style="text-align: right;">\$66,000</td> </tr> </table> <p>Midland Standard Engineering and Testing, Inc. (MSET) of Buffalo Grove Illinois has recently provided pavement cores and soil borings for the 2023, 2022, and 2021 Street Rehabilitation Programs. They are capable and qualified to complete the project. Investigation work is anticipated to begin in May, with substantial completion in July.</p> <p>Notifications will be provided to residents, with a complementary press release to the community.</p>				MSET	\$36,952	ECS	\$42,000	GSG	\$55,500	CEC	\$66,000
MSET	\$36,952										
ECS	\$42,000										
GSG	\$55,500										
CEC	\$66,000
