	Title:	Recommendation to Approve an Intergovernmental Agreement with St. Charles Township Regarding Snow/Ice Control	
Presenter:	AJ Reineking, Public Works Manager – Public Services		
Meeting: Government Services Committee		Date: October 23, 2023	
Proposed Cost: N/A		Budgeted Amount: N/A	Not Budgeted: <input type="checkbox"/>
TIF District: None			
Executive Summary (if not budgeted, please explain):			
<p>In 2018 the City entered into a 5-year agreement with St. Charles Township for snow and ice control services. The agreement is set to expire prior to the 2023/24 winter season. An additional 5-year extension has been proposed.</p> <p>The agreement with St. Charles Township memorializes a long-term practice of exchanging plowing services based on where the delivery of service made practical sense in relation to existing routes. For many years the City and St. Charles Township have mutually agreed to provide snow and ice services for streets under the jurisdiction of the other political body. For example, St. Charles Township performed snow/ice control along the City right of way on Dover Hill Court, located at the north end of the Crane Road Estates Subdivision, and the City performed snow/ice control along the Township rights of way on Toni and Bonnie Streets, located along Kautz Road. This letter of agreement addresses in writing the understanding and also addresses liability, along with establishing a set five (5) year term.</p> <p>The agreement may be revisited at any time, but will expire prior to the 2028/29 winter season.</p>
