# Memo

To: The Honorable Ray Rogina, Mayor-Liquor Commissioner  
From: James Keegan, Chief of Police  
Re: Background Investigation-Dawn's Voodoo Room (214 W. Main Street)

---

The purpose of this memorandum is to document and forward to your attention the results of the background investigation conducted by members of the St. Charles Police Department concerning the above mentioned establishment.

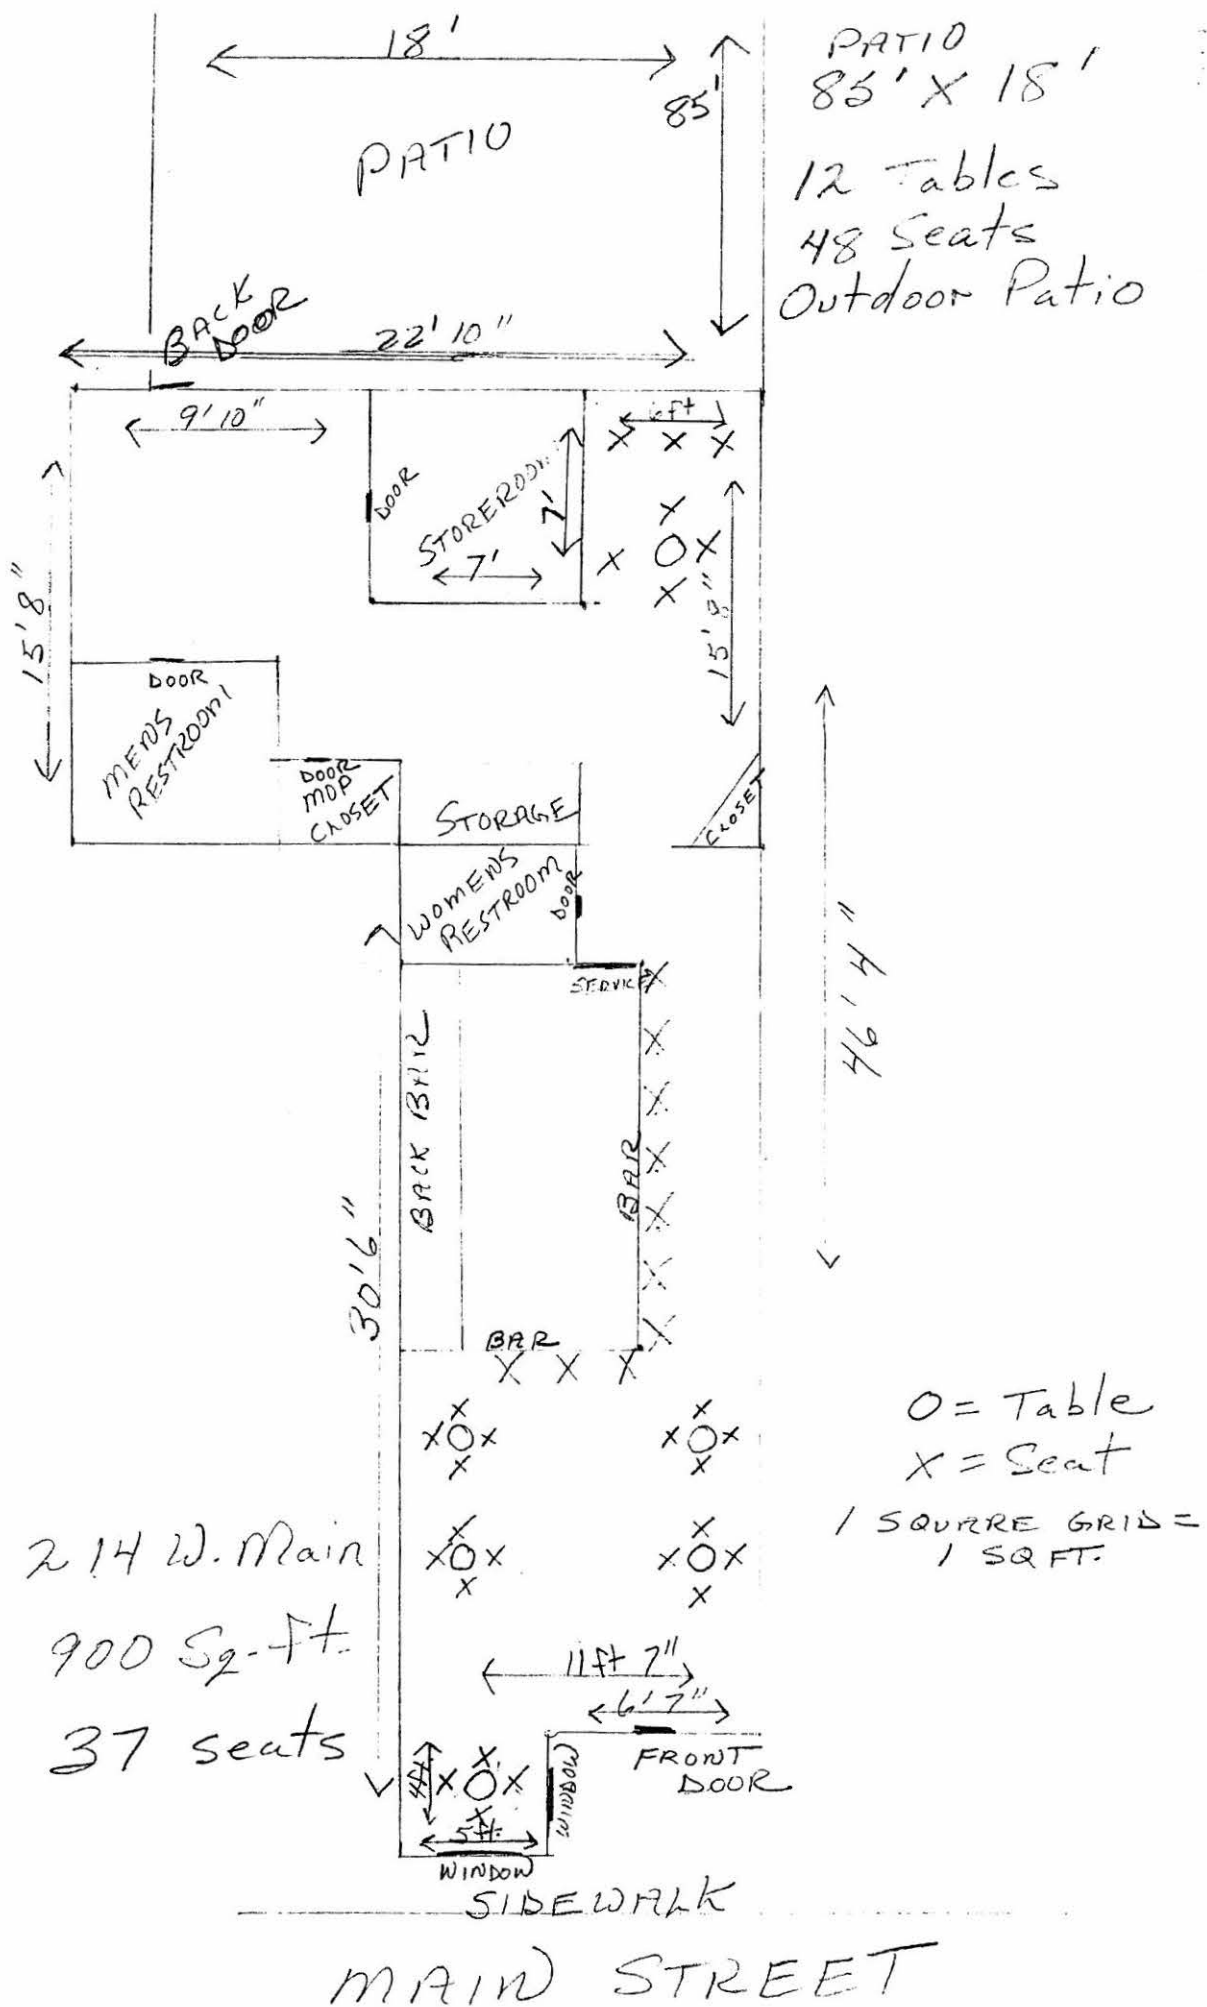

As is customary procedure, a detective was assigned this investigation and reviewed both the site location/floor plans and the corresponding application. In addition, the application material was reviewed by our Fire Department, Finance Department and Community/Economic Development. Each department reviewed the information submitted subject to their purview and area of responsibility; no issues were noted.

We as a police department found nothing of a derogatory nature that would preclude either the site location or the applicant from moving forward with both liquors sales and on-site consumption, subject to City Council approval.

This is a Class C request although very limited food will be offered or sold (similar to The House Pub). The applicant does own and operate Dawn's Beach Hut in St. Charles and has a host of other business experience in the greater Chicagoland area. We have no issues to report at Dawn's Beach Hut.

Please see the detailed drawing and floor plan for further information; all other paper work is in order. A business plan was submitted but not a drink or food menu. Dawn is seeking a Late Night Permit (2:00 am) and will be closed on Monday's

Thank you in advance for your consideration in this matter.
