If NO, please explain how item will be funded:

Executive Summary:

The River Corridor Foundation in partnership with the Active River Task Force is requesting to complete the Bob Leonard Walk Site Improvement Project on Phase II of the Bob Leonard Walk, between Indiana Street and Prairie Street.

The project consists of installing new bench seating along the walk and in the gathering area near the “If I Could But Fly” sculpture, together with new trash receptacles. Landscaping additions and improvements consist of more perennials and trees consistent with the design that is present on the site today. Also, future public art locations are identified on the site plan, although at this time no installation of new art work is planned.

The financing behind this project is being provided through grants from the Community Foundation and Kane County River Boat with matching funds provided by the River Corridor Foundation of St. Charles.
