Title:

Recommendation to Approve Resolution Authorizing Application to Kane County Grant Program

Presenter:

Karen Young

Meeting: Government Services Committee

Date: February 27, 2017

Proposed Cost: \$ n/a

Budgeted Amount: \$551,206

Not Budgeted: **Executive Summary** *(if not budgeted please explain):*

Each year Kane County offers grant programs to help improve the quality of life within Kane County. The City of St. Charles successfully received funding in the past from the Kane County Riverboat Grant Program to assist with the completion of the Bob Leonard Riverwalk Project, Municipal Center Parking Lot and most recently the 7th Avenue Creek Watershed Plan. Staff is proposing to submit two applications for Kane County Riverboat Grant funding for the 7th Avenue Creek Project and the IL Route 31 Culvert/Sidewalk Extension Project.

The 7th Avenue Creek project application includes the costs associated with the design engineering for the culvert replacement at the Public Works entrance off of 7th Avenue and the lining/repairs to the existing culvert under 7th Avenue. The total amount proposed in the budget for FY17/18 is \$138,706, with the grant application being proposed at \$100,000.

The IL Route 31 Culvert/Sidewalk Extension project is located at the southern City limits on IL Route 31 (Geneva Road) at the property located at 1336 Geneva Road. The project includes the extension of the roadway culvert to address erosion issues in this area, which will also provide for the opportunity to extend the sidewalk on the west side of the street. This improvement will provide for a much needed sidewalk connection between Willowgate Lane and the City of Geneva sidewalk to the south. The total amount proposed in the budget for FY17/18 is \$412,500, with the grant application being proposed at \$100,000.

The 2017 grant application will be requesting an amount of \$100,000 for each project, which is the maximum allowable amount under this grant. As part of the application submittal to the County, approval of the attached resolution is required. Staff has been working closely with Kane County staff on the submittal and for these reasons staff requests that the City Council approve the resolution to authorize the application of the grant and to allow staff to execute all documents upon receipt of grant monies.
