I. PROPERTY INFORMATION

A. History / Context

The subject property is two lots. Lot one (505 Prairie St.) is .413 acres and lot two (511 Prairie St.) is .220 acres. Up until recently, each lot contained a single-family home; both homes have been demolished as part of this project. The lots are located just outside of the Historic District, so no Historical review is required for demolition or new homes.

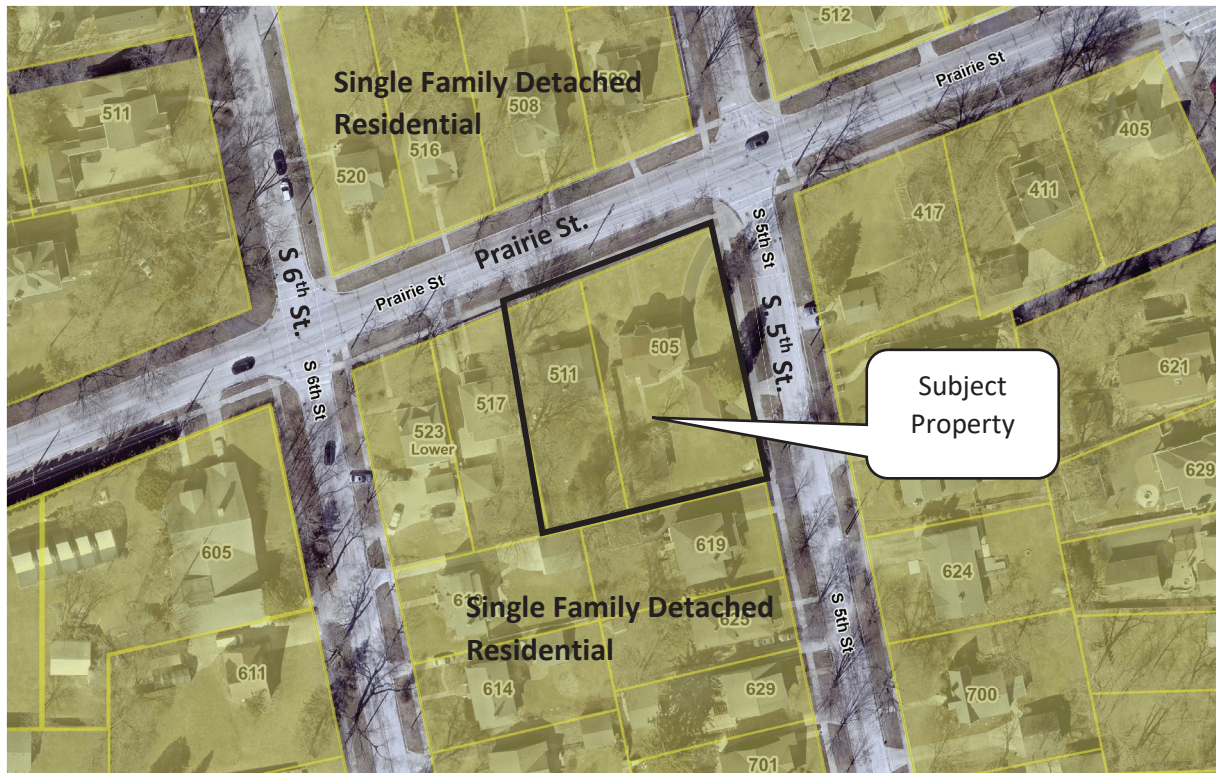

B. Zoning

The subject property is zoned RT-2 Traditional Single Family. The same zoning designation exists adjacent to the property on all sides. The surrounding properties all contain single-family homes.

C. Comprehensive Plan

The subject property is designated Single Family Detached Residential in the Land Use Plan adopted as part of the 2013 Comprehensive Plan. All surrounding properties have the same designation.

II. PROPOSAL

Avondale Custom Homes has purchased the property and is seeking approval of a Final Plat of Subdivision to resubdivide two lots (three parcels) with frontage on Prairie St. into two lots with frontage on S. 5th Street. Avondale Custom Homes plans build two new single-family homes on the lots.

III. ANALYSIS

A. Bulk Standards

The table below compares the bulk requirements of the RT-2 district with the proposed lots.

	RT-2 District Standard	Lot 1	Lot 2
Min. Lot Area	6,600 sf	14,054 sf	12,147 sf
Min. Lot Width	50 ft.	102.18 ft.	78.46 ft
Max. Building Coverage	30% for structures 1 ½ stories or less 25% for structures over 1 ½ stories		
Max. Building Height	Lesser of 34 ft. or 2 stories		
Min. Front Yard	25 ft.	25 ft	25 ft
Min. Exterior Yard	20ft	20 ft	N/A

Min. Side Yard	Greater of 6 ft or 10% of lot width for 1 ½ stories or less	8 ft.	8 ft
	Greater of 8ft or 10% of lot width for over 1 ½ stories		
Min. Rear Yard	30 ft.	30 ft	30 ft

B. Plat Review—Staff Comments

Planning staff has reviewed the Final Plat and has the following comments:

1. Interior side yard setback for the proposed Lot 1 must be 9.85 ft. (10% of lot width measured at the front setback line).
2. 5 ft P.U and D.E. easements must be added along both interior lot lines.
3. Revise plat to say “Norway” instead of “No-way”

C. Other Reviews

City Staff from other departments reviewed the plat and had no additional comments.

D. Inclusionary Housing

Residential subdivisions are typically subject to the Inclusionary Housing Ordinance, Title 19 of the City Code. In this case, the proposed resubdivision will replace two existing lots with the same number of new lots. Recently, the houses on the two existing lots were demolished. Under Title 19, a fee in-lieu is required in demolition situations when the house was considered an “affordable unit” based on the sale price or equalized market value at the time of demolition. One of the two houses demolished for this subdivision was considered an affordable unit. Therefore, a fee in-lieu will be charged for one of the new houses. A fee of \$793.32 will be due at the time of building permit for the first house in the subdivision.

E. School and Park Contributions

School and Park land-cash fees per Title 16 of the City Code will not be due for this development. A credit is granted for existing lots within a proposed subdivision. The two proposed lots are replacing two existing lots; a credit shall be granted for both lots.

IV. SUGGESTED ACTION

Staff recommends approval of the Final Plat of Subdivision subject to resolution of all staff comments prior to City Council action.
