Executive Summary (if not budgeted please explain): <p>This is an application request for a Class E-1 Temporary Liquor License, authorizing dispensing and consumption of craft beer on Park District property, as indicated on a proposed 5K road race route. This temporary license is requested for a single, one-day event, to be held on Saturday, May 18, 2019.</p> <p>The event, known as “Hops for Hope 5K,” will take place on May 18th, 2019, in Mount St. Mary’s Park from 10:00 a.m. to 3:00 p.m. and extend into Wheeler Park in Geneva. The estimated attendance is 1,000 participants (last year 600) and this is the 3rd consecutive year that Project Mobility has hosted this event. Project Mobility is a Non-for-Profit organization in partnership with the Bike Rack of St. Charles, with the goal of raising funds to provide adaptive cycling for subjects with physical disabilities.</p> <p>An officer will be present to cross traffic on Route 31 and security guards will monitor alcohol consumption (beer only) and credential runners (all pre-paid and registered) inside the designated consumption areas.</p> <p>Runners will be allowed to sample 3 oz. tastings on the running route and be given 2-drinks tickets with their prepaid purchase for consumption inside a fenced in area near the award tent. Food will be served by local vendors. In the event that event spectators desire to enter the fenced area they would pay an entry fee, be provided a different color wristband, and would also be issued (2) two tickets to exchange for a total of (2) two pints, after which they would receive no other service.</p> <p>All participants must be 21 or older and each will receive an event specific wristband confirming their identification and age were verified. Each “beer stop” will be fenced with a single point of ingress and egress. The sample will be issued in a plastic cup which would be disposed of at the stop prior to egress. The event will have a fenced in area in Mount. Saint Mary Park and would incorporate a tent, awards stand, and a dispensing area for craft beer.</p> <p>A sound amplification permit has been applied for to accommodate a public address system and a band for event entertainment.</p> <p>This event is still pending final review and approval by the St. Charles Park District Board.</p> <p><i>Pursuant to this item being presented at the Government Operations Committee meeting for approval; it will be brought before the Liquor Control Commission at a meeting scheduled at 4:30 p.m., the same day, November 19, 2018, to process and move it forward to this Committee. This item will then continue on to the City Council meeting scheduled on December 3, 2018 for final approval.</i></p>
