Memo

Date: 5/11/2016

To: The Honorable Ray Rogina, Mayor-Liquor Commissioner

From: James Keegan, Chief of Police

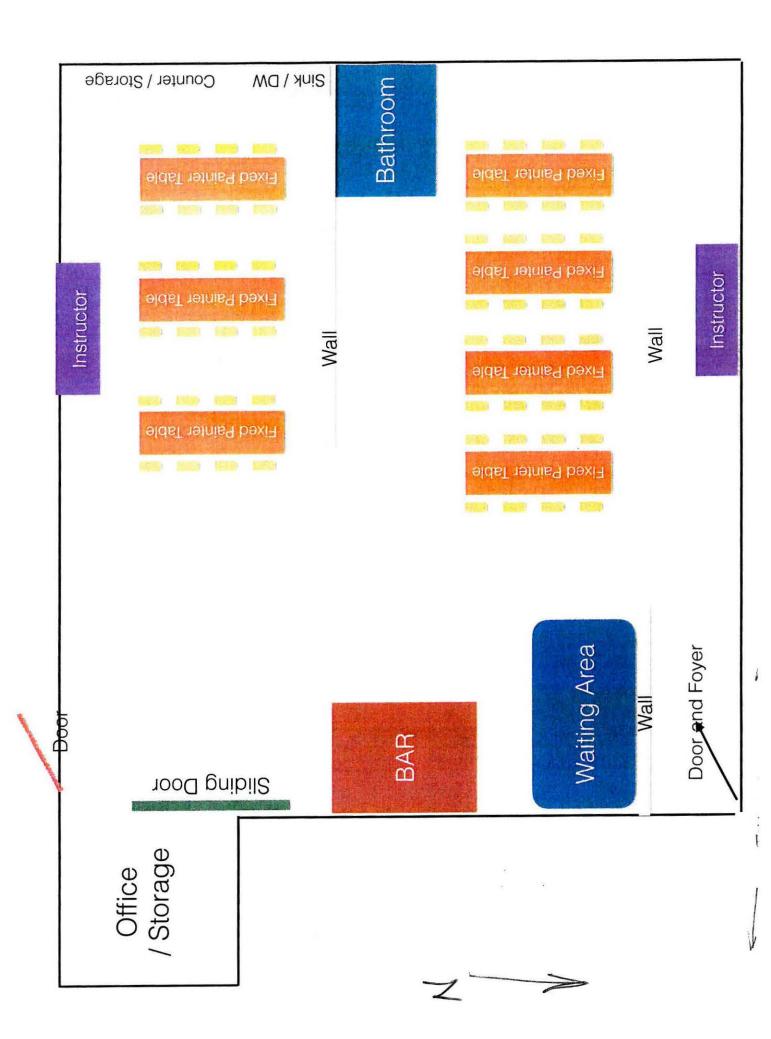

Re: Background Investigation-Liquor Establishment/D-8 (The Painted Vine Cellar)

The purpose of this memorandum is to document and forward to your attention the results of the background investigation conducted by members of the St. Charles Police Department concerning the below mentioned establishment.

The Painted Vine Cellar is a new business venture looking to capitalize of the arts and entertainment industry by offering painting classes with beer and wine sales. Other nearby municipalities have similar offering's that have proven to be successful small businesses. The Painted Vine Cellar is looking to occupy 1 W. Illinois Street, Suite #110.

A detective was assigned this investigation and reviewed both the site location/floor plans and the corresponding application material. Although we found nothing of a derogatory nature that would preclude either the site location or the applicant from moving forward with on-site consumption, the business plan submitted by the applicant does require a slight modification to our existing liquor code that will also be proposed in an ordinance amendment.

Thank you in advance for your consideration in this matter.

II. Company Description

Located in the heart of the St Charles historic district, The Painted Vine Cellar will be the areas premier Paint and Sip business that offers a unique entertainment experience that is comprised of two primary components; one part entertainment, one part vocational, and one part wine bar.

Entertainment / Vocational $-2\frac{1}{2}$ hour session in a group setting where you will create you own artistic masterpiece as guided by a trained art instructor

Wine Bar – Secondary to painting, the following drink choices will be offered; wine, sangria, beer, water, Soda

Mission Statement: To provide a unique and upscale entertainment experience

Company Goals and Objectives: To build a solid and respected reputation within the community and carefully grow the business while providing an upscale experience. The primary business goal is to minimally build a sustained rate of 8 booked sessions per week with at least 20 customers per session.

Business Philosophy: Provide customers a great entertainment experience as they create their own artistic masterpiece.

The Customer: Will cross many demographic age groups from children's parties, bridal parties, to corporate / group event, to open sessions, and etc.

Legal form of ownership: LLC with Chapter S tax reporting election

III. Products and Services

Our product consists of a service that is comprised of a 2 and ½ hour art lesson in a group session that is facilitated by a professional artist to recreate an existing painting while enjoying either wine, beer, soda, or water.

Typically a customer will arrive, get situated and order a beverage. Then, for the next hour, the paint instruction commences to a point to where the painting will need time to dry. During the drying time (about 15 minutes), customers are free to order another beverage. For the remaining hour, the painting is completed and allowed to dry. At this point, the service has been delivered and the customer leaves with her / his painting.

The list rate person, per painting session is \$40 plus the cost of any beverage consumed during the painting session. The preliminary pricing for beverages will be set at; Wine - \$7 per glass or \$32 per bottle, Domestic Beer - \$5 per bottle, Craft beer - \$6 per bottle, sparkling water - \$2, Soda or water - \$1.

Our pricing structure is set at a slight premium over our nearest competitors for three distinguishing traits that include; premium location, premium experience, and a venue that can accommodate larger parties (or two simultaneous parties) for as many as 56 painters.

IV. Marketing Plan

Market research

The paint and sip industry is a growing industry where most owner / operators are expanding. However, due to the relatively new and growing nature of this industry, statics are hard to come by as the business classification varies by state and jurisdiction.

There are two primary areas we have looked at for information that include the expansion of the industries largest franchise as well as visiting many independent owners websites, both locally and across the larger United States, looking in particular at their event calendars to see how many events were booked and when they occurred over the course of the week and month.

In addition to direct observations of other similar businesses, there have been a number of press pieces about the paint and sip industry where the evidence support this industry being in a growth mode.

Customers

The customer base target is both individual and corporate / organizational per the following;

Individual customers

- Age -25-70
 - o Occasional kids parties however, the parents remain the target demographic
- Gender both male and female however, 75% of attendees tend to be female
- · Location within 10 miles of our business
- · Income level lower middle class and above

Business customers

- Industry All, but repeatable industries are the prime target such as single clubs, wedding planners, any group or organization where an event bookings can be repeated monthly.
- Location Within 10 miles of the store
- Size of firm 50 employees and larger

Competition

There are a number of competitors within a 15 mile radius with the nearest competitor located about five miles away in downtown Geneva named "Chilled Palette". In looking into the Chilled Palette, we noticed they had no issue booking 8-10 session weekly and it is our belief the St Charles area could easily support our business with minimal overlap with Chilled Palette.

It appears the type of paint and sip business model easily supports at least one entity in a smaller downtown area where more densely populated areas easily support several similar businesses.

List your major competitors: Chilled Palette (Geneva), Pinot's Palette - (Chain - South Barrington and Naperville), Bottle & Bottega (Glen Ellyn)

These along with any new competitors will compete directly with our business however with the population / demographics of the area, the impact to our business will be minimal. We will continually look for ways to differentiate ourselves from our competition by looking for every opportunity to serve an upscale experience, often revisiting this goal for new ideas / experiences to offer.

Niche

Our location and layout of our space is a key part of our niche as compared to nearby competitors as we have the capacity for both larger parties (up to 56 painters). We can also accommodate 2 simultaneous parties of 32 and 24 in a semi-private manner. In visiting our closest competitor, Chilled palette in Geneva, they were not able to accommodate two simultaneous parties without them being combined in the same space.

This advantage / capability alongside the upscale environment / experience will be heavily marketed and well presented on both our Website and Facebook site.

Promotion

There are three primary promotional paths planned that include targeted advertising on both Facebook and Google coupled with search engine optimization. In addition, there will be direct contact with organizations that could yield consistent business such as singles organizations, businesses, charity organizations, and others.

Our initial promotional budget will be set at \$750 per month for the first two months and then adjusted up or down based upon the business results.

It is also our intention to become members of the St Charles Chamber of Commerce for additional exposure and cross marketing with local business where this would be a good fit.

Proposed Location

We have signed a contingent lease for a property at 1 W Illinois St, Suite 110, St Charles, IL, 60174 for a fiveyear term with an out clause set at month twenty four. This location is critical to our business model in providing an upscale experience to match the areas upscale surroundings and higher end demographics.

We believe this property and the surrounding St Charles historic district will also aid in providing an upscale experience as well as leverage the traffic in the immediate area.

The facilities will be ADA compliant and easy to access with plenty of parking nearby including a multi-story garage across the street.

The contingencies contained in the lease revolve around being able to obtain a liquor license for the business, ADA compliance modifications of the current bathroom, passing a title 34 inspection, and a few small improvements to the rental space.

V. Operational Plan

The business hours of operation will be dictated by bookings against a pre-planned calendar of painting session as well as private events. As such, we do not anticipate operating any earlier than 10am or any later than 9pm. In general, we will avoid bookings on Monday's or Tuesday's and concentrate our bookings to between Wednesday and Sunday.

Staffing will be built around a two month working calendar. Each session will last about two and a half hours where there will be at least two 1099 contractor employees present that would include a paint instructor and bartender / assistant. The bartender / assistant would also be responsible for initial set-up, post session cleanup, and helping the artist through the session, and closing the business.

If we have two sessions booked simultaneously, we would double the resources two two paint instructors and two bartender / assistant resources. This model works as a majority of the session, painters will be busy with their art. Beverage sales will be largely constrained to before the session starts and about mid-session while the background colors are drying (about 15 minutes). This leaves about an hour and fifteen minutes from the time the last drinks are served to the customer departing the establishment.

 the wages of our closest competitors in order to attract and retain trustworthy and best talented
 employees
- Paint instructors responsibility will mostly be limited to instructing the customers on their painting and ensuring customers are keeping up and happy. The Bartender / assistant will be responsible for opening the store, setting up the paint stations under the artists instruction, serving beverages as needed, cleanup after the session ends, and closing the store. In addition, all employees share responsibility to ensure all customers are having a good experience. We will empower all employees to provide a full refund, on the spot with no questions asked to any customer that had a bad experience in order to protect our business reputation. If a patron abuses this unwritten policy, we would then decline to take future booking from that patron.
