Executive Summary *(if not budgeted please explain):*

Certain subdivision plat documents identify segments of what is commonly known as a Peck Road as having an officially designated name of “New Peck Road”. The name is shown on plats for the section of the road north of Campton Hills Rd. This portion was realigned when the Renaux Manor development was constructed.

“New” Peck Road appears on plats from that time period, likely because there was an “old” Peck Road that remained for a brief period. However, the City has never used “New” Peck Road for any addressing.

Tri-Com Dispatch brought the discrepancy to the City’s attention. To clear up this discrepancy, staff recommends officially changing the name to “Peck Rd.” and “N. Peck Rd.” for consistency. There are three properties that will be impacted by the name change. All three properties are used as detention ponds for surrounding subdivisions.

Once approved by City Council, the approval ordinance will be recorded, and then all official record keeping used in County mapping information will be updated.
