	Presenter:	AJ Reineking	
Meeting: Government Services Committee Date: September 28, 2020			
Proposed Cost: \$147,200		Budgeted Amount: \$170,000	Not Budgeted: <input type="checkbox"/>
Executive Summary <i>(if not budgeted please explain):</i> <p>On August 27, 2020, 6 bids were submitted via the eProcurement platform for the 2020 Asphalt Patching Program. Similar to the 2018 and 2019 programs, the 2020 program will consist of just over 8,000 yards of patch material. The program traditionally has alternated between the east and west sides of the community. The 2019 program focused heavily on the east side and the 2020 program will, in turn, target the west side of the City.</p> <p>The bid calls for a 2” grind and overlay of the roadway at each location. This program will be performed in conjunction with the City’s in-house roadway maintenance program, which predominantly focuses on smaller repairs or repairs completed in conjunction with utility work.</p> <p>The City received six (6) bids to complete this work with J.A. Johnson Paving Co of Arlington Heights IL being the lowest responsive, responsible bidder.</p> <p>J.A. Johnson Paving Co is a large company in the area. They have done work and provided asphalt material for the City in the past, and performed adequately.</p>
