Meeting: Government Services Committee

Date: August 22, 2016

Proposed Cost: \$72,072.00

Budgeted Amount: \$75,000

Not Budgeted:

**Executive Summary** *(if not budgeted please explain):*

On August 8, 2016, the City publicly opened bids for the 2016 Asphalt Patching Program. The program consists of 39 locations that the Public Services Division has identified where the surface pavement has deteriorated. The bid calls for a 2” grind and overlay of the roadway at each location, with an estimated 3,688 square yards of asphalt to be repaired throughout the community. This program will be performed in conjunction with the City’s in-house asphalt program, which predominantly focuses on smaller repairs or repairs completed in conjunction with other utility work.

The City received seven (7) bids to complete this work with Schroeder Asphalt Services, Inc. of Huntley, IL being the lowest responsive, responsible bidder.

Schroeder is the City’s current MFT Program contractor and has successfully completed other roadway improvement projects for the City in the past.

Geneva Construction Company Aurora, IL	\$ 26.00	\$ 2,000.00	\$ 97,888.00	\$ 12.00
Builders Paving, LLC Hillside, IL	\$ 28.90	\$ 9,800.00	\$ 116,383.20	\$ 16.50

\*Grind & Haul pricing was included to allow staff to quickly finish the work in the event that the complete Grind & Patch prices were cost-prohibitive. However, the bid prices received to do the complete Grind & Patch are favorable and thus the recommendation is to use the vendor to fully grind and patch each job.

**INVITATION TO BID**  
Asphalt Grinding/Patching Program

The City of St. Charles has an immediate need for a qualified contractor to perform grinding and asphalt patching work to City streets throughout the community.

**TIMELINE FOR AWARD:**

The following table identifies the anticipated timeline for this project.

<b>Critical Path Item</b>	<b>Date</b>
Bids Due By	Monday, August 8, 2016 (2:00 PM)
Work Awarded	Tuesday, September 6, 2016
Work Completed	November 1, 2106

**WORKMANSHIP:**

All work performed for the City shall meet the highest industry standard. All patching work shall be comprehensive and uniform and match the existing grade.

All patches shall be 2” Class D patches meeting the IDOT Standard Specifications for Road and Bridge Construction adopted April 1, 2016.

Grinding shall be saw cut at the perpendicular ends to allow for a 90 degree edge on all sides.

**PRICE:**

The City is seeking a unit price per square yard to perform a complete patch including site preparation, grinding and material removal, asphaltting and compaction.

In addition, the City is seeking unit prices per square yard to perform grinding and debris removal only.

Prices shall include all tools, equipment, labor, materials, and hauling necessary to complete the task.

**TERM:**

The work shall be completed at a time mutually agreed up on by the contractor and the Public Works Division Manager. All work must be completed and invoiced no later than August 15, 2016. Once work commences, work must be performed in successive days until complete unless otherwise scheduled with the Public Works Division Manager in advance.

Equipment may be stored overnight at a gated Public Works Annex Facility. The City is in no way responsible for damaged or vandalized equipment stored on City premises.

**TIME OF WORK:**

Work shall be completed between the hours of 7am and 4pm (Monday through Friday). Exceptions may be made for tacking operations to maintain operational continuity.

**QUANTITY & LOCATION OF WORK:**

The City has identified up to forty (40) locations that are in need of permanent patch work throughout the community. Maps and estimated material quantities are attached. The attached list of work in no way represents a guaranteed minimum or maximum, and the City reserves the right to add or subtract for the attached list at any time.

Actual work will be based on the prices submitted and budgetary funds available and shall be performed at the City's sole discretion.

**COMPLIANCE WITH LAWS:**

Vendor must comply with all applicable laws, including without limitation the Illinois Human Rights Act, the Public Works Employment Discrimination Act, and the Illinois Prevailing Wage Act. Contractor's certified payroll is required to be submitted with all pay requests/invoices.

Questions shall be submitted to AJ Reineking, Public Works Manager no later than Wednesday, August 3, 2016 at [areineking@stcharlesil.gov](mailto:areineking@stcharlesil.gov).
