<p>Executive Summary <i>(if not budgeted please explain):</i></p> <p>This is an application request for a Class E-1 Temporary Liquor License, authorizing dispensing and consumption of craft beer on Park District property, as indicated on a proposed 5K road race route. This temporary license is requested for a single, one-day event to be held on Saturday, May 20th, 2017. The event, known as “Hops for Hope 5K,” will be held on Saturday, May 19th between 9:00 am and 3:00 pm. Event registration begins at 9:00 am, with the race starting at 11:00 am. The event is currently expected to bring approximately 100 runners to the City of St. Charles.</p> <p>The event is being promoted by “Project Mobility”, a Non-for-Profit organization in partnership with the Bike Rack of St. Charles, with the goal of raising funds to provide adaptive cycling for subjects with physical disabilities. This will involve a 5K running event that starts and ends in Mt. Saint Mary Park. It will traverse through the park; then south along Rt. 31 to Wheeler Park in Geneva; and back. The St. Charles Police Department will provide staff to facilitate traffic control for runners crossing Rt. 31 and will not require any road closures. The event will incorporate (5) five individual Basset supervised Craft Beer “Sampling” stops. Runners will have the opportunity to “sample” a 3 ounce Craft Beer provided by local craft brewers, for a total of 15 ounces during the course of the run.</p> <p>All participants must be 21 or older and each will receive an event specific wristband confirming their identification and age were verified. Each “beer stop” will be fenced with a single point of ingress and egress. The sample will be issued in a plastic cup which would be disposed of at the stop prior to egress. The event will have a fenced in area in Mt. Saint Mary Park and would incorporate a tent, awards stand, and a dispensing area for craft beer. Event participants will be issued (2) two tickets to exchange for a total of (2) two pints of craft beer following the race, after which they will receive no additional beer service. In the event that event spectators desire to enter the fenced area they would pay an entry fee, be provided a different color wristband, and would also be issued (2) two tickets to exchange for a total of (2) two pints, after which they would receive no other service.</p> <p>A sound amplification permit has been applied for to accommodate a public address system and a band for event entertainment.</p> <p>The promoter has advised that they are not conducting a broad advertisement campaign and predict that the anticipated attendance should not exceed 200.</p> <p>This event is still pending final review and approval by the St. Charles Park District Board.</p> <p>Pursuant to this item being presented at the Government Operations Committee meeting on January 22, 2018 to seek approval; it will be brought before the Liquor Control Commission at a meeting scheduled for 4:30 p.m., the same day, to process and move it forward to this Committee. This item will then continue on to the City Council meeting scheduled on February 5, 2018 for final approval.</p>
