Title:

Recommendation to Approve a Resolution Authorizing the Mayor and the City Clerk of the City of St. Charles to Approve the Award of a 2018 Ford F-150 Truck to Wright Automotive and to Sell the Replaced 2003 Ford F-150, Vehicle #1889.

Presenter:

Michael Shortall, Purchasing and Inventory Control Division Manager

Meeting: Government Operations Committee

Date: November 6, 2017

Proposed Cost: \$ 30,585

Budgeted Amount: \$ 35,000

Not Budgeted: ☐**Executive Summary** *(if not budgeted please explain):*

Prices were solicited for the purchase a new 2018 Ford F-150 4x4 HD pickup truck for use by the Public Services division. Prices were obtained from three different vendors: Wright Automotive, through the State of Illinois contract; Hawk Auto (formerly Zimmerman Ford), a local vendor; and from Currie Motors, through the Suburban Purchasing Cooperative (SPC). Prices are summarized as follows:

|   |                  |
|---|------------------|
| <b>Wright Automotive (State Contract)</b> | <b>\$ 30,585</b> |
| <b>Currie Motors (SPC)</b>                | <b>\$ 30,589</b> |
| <b>Hawk Automotive (Local)</b>            | <b>\$ 31,601</b> |

The competitively bid state contract price (Wright Automotive) was lower than the local vendor (Hawk Automotive) and SPC (Currie Motors). We therefore seek approval to purchase this truck from Wright Automotive. This vehicle was approved by the city fleet committee and is also approved through the budget. We are also seeking approval to sell the replaced 2003 F-150 4x4 pickup truck #1889 via an online auction site.

### Part I Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. The TIN provided must match the name given on the "Name" line to avoid backup withholding. For individuals, this is your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the Part I instructions on page 3. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN* on page 3.

**Note.** If the account is in more than one name, see the chart on page 4 for guidelines on whose number to enter.

### Part II Certification

Under penalties of perjury, I certify that:

- The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me), and
- I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding, and
- I am a U.S. citizen or other U.S. person (defined below).

**Certification instructions.** You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. See the instructions on page 4.

### General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

#### Purpose of Form

A person who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

- Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
- Certify that you are not subject to backup withholding, or
- Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income.

**Note.** If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

**Definition of a U.S. person.** For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States,
- An estate (other than a foreign estate), or
- A domestic trust (as defined in Regulations section 301.7701-7).

**Special rules for partnerships.** Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax on any foreign partners' share of income from such business. Further, in certain cases where a Form W-9 has not been received, a partnership is required to presume that a partner is a foreign person, and pay the withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid withholding on your share of partnership income.
