### Executive Summary:

We are seeking a motion to approve a resolution of official intent to reimburse the City for costs related to several capital projects from bond proceeds. These capital projects, which were approved as part of the Fiscal Year 2016-2017 budget, include Illinois Bridge Repair, Street Improvement Projects, Police Station Building Design Engineering, continued Electric Substation 9 Development and Substation Transformer Replacements. The estimated cost of these projects is \$6,500,000.

This is a housekeeping matter to ensure compliance with IRS debt regulations and that any costs incurred after April 21, 2016 are eligible to be funded from the proceeds of the bond to be issued this summer.
