Executive Summary *(if not budgeted please explain):*

This is an application request for a Class E-1 Temporary Liquor License, authorizing dispensing and consumption of craft beer on Park District property, as indicated on a proposed 5K road race route. This temporary license is requested for a single, one-day event, to be held on Saturday, October 14, 2023.

The event, known as “Hops for Hope 5K,” will take place on October 14, 2023, in Mount St. Mary’s Park from 10:00 a.m. to 4:00 p.m. and extend into Wheeler Park in Geneva. The estimated attendance is 1,000 participants (last event had 1,000). Project Mobility is a Non-for-Profit organization in partnership with the Bike Rack of St. Charles, with the goal of raising funds to provide adaptive cycling for subjects with physical disabilities.

Two EMA members will be present to cross traffic on Route 31 and two Officers will oversee the patrons at the beer fest. Event volunteers will monitor alcohol consumption (beer only) and credential runners (all pre-paid and registered) inside the designated consumption areas.

Runners will be allowed to sample a total of six 3 oz. tastings on the running route. The “beer fest” portion of this event is scheduled to begin at 12:30 and last until 4 pm. Runners and those registered just for this portion will receive tickets for six 2 oz. beer samples with their prepaid purchase for consumption inside a fenced-in area near the award tent at the end of the race route. Food will be served by local vendors. No additional service or beer purchases will be permitted once the attendee uses up their tickets.

All participants must be 21 or older and each will receive an event-specific wristband confirming their identification and age were verified. Each “beer stop” will be fenced with a single point of ingress and egress. The sample will be issued in a plastic cup which would be disposed of at the stop prior to egress. The event will have a fenced in area in Mt. Saint Mary’s Park that will include a tent, awards stand, and a dispensing area for craft beer.

A sound amplification permit has been applied for to accommodate a public address system and a band for event entertainment. This event has been approved by the St. Charles Park District Board.

PLEASE NOTE: this special event is being recommended for approval with the caveat that all approvals are contingent upon any governmental sanctions regarding public gatherings, social distancing, etc., pertaining to COVID-19.

This item will be discussed by the Liquor Control Commission at 4:30 pm on Tuesday, February 21, before consideration by this committee. A final vote will be taken during the March 6, 2023, City Council meeting.
