Memo

Date: 9/6/2016
To: The Honorable Ray Rogina, Mayor-Liquor Commissioner
From: James Keegan, Chief of Police
Re: 3710 E. Main Street (Class B-3) Cooper's Hawk Winery & Restaurant

The purpose of this memorandum is to document and forward to your attention the results of the background investigation conducted by members of the St. Charles Police Department concerning the above mentioned establishment.

As you are aware, Cooper's Hawk is constructing a new winery/restaurant at an out lot on the exterior ring road of "The Quad" in the City's east gateway. Cooper's Hawk is an upscale dining experience with an adjoining winery. Our B-3 licensure specifically designates this type of business model as an acceptable license practice. In addition, Cooper's Hawk operates several locations within the Chicagoland area; Arlington Heights, Naperville, South Barrington and Wheeling with great success.

The site location/floor plans and the corresponding application materials were reviewed by my staff. We also reviewed the business plan and corporate paperwork of Cooper's Hawk. We found nothing of a derogatory nature that would preclude either the site location or the applicant from moving forward with an on-site consumption license, subject to City Council approval with the following contingency:

- This site is not yet built out but building plans and seating plans appear to adequate and sufficient (see attachment). The Liquor license would be contingent upon an occupancy permit being issued from the Fire Department and final inspection by the Building Department.

I am recommending a liquor license subject to the above mentioned contingencies. Thank you in advance for your consideration in this matter.
