Re: Background Investigation-The Pride Gas Station of Kane County/3025 E. Main Street (Class A-3)

The purpose of this memorandum is to document and forward to your attention the results of the background investigation conducted by members of the St. Charles Police Department concerning the above mentioned establishment.

As you're aware, this is a new business venture as the Pride Stores Incorporated is seeking to expand its operations within St. Charles by constructing their 2nd fueling station with an associated mini-mart/restaurant (Taco Urbano) and car wash. This concept incorporates both a packaged liquor license along with a pour/consumption license within the convenient store/mini-mart. The Pride is not seeking a video gaming license and several tenants were made apart of the A-3 classifications as safeguards between packaged sales and on-site consumption. This classification is similar to other dual licenses within the City.

The site location/floor plans and the corresponding application materials were reviewed by my staff. We also reviewed their new business plan and spoke with their corporate office concerning their operations. We found nothing of a derogatory nature that would preclude either the site location or the applicants from moving forward with alcohol sales, subject to City Council approval.

Thank you in advance for your consideration in this matter.

Application:

The application was received on 12/02/22. The application is complete to include a signed lease, a business plan, a floor plan, menu and a quote for Certificate of Insurance (dram shop). Dana Slattery, Ryan Fuelling and William Boylan are listed as various operators of The Pride Stores Inc. with Gina Cooper-Oldham as the On-Site Manager. This is the second location in St. Charles for the Pride Stores Inc. with the first location remaining in good standing located at 1825 Lincoln Highway. The Pride Stores, Inc is an active status via the Illinois Secretary of State website and has been incorporated since 1976 and have fifteen other locations throughout Chicagoland. The Illinois Liquor Control Commission listed all their current state licenses as active. TLOxp listed The Pride Stores, Inc to be in good standing.

This new location will have different set up than The Pride of St. Charles/Octane 93 and will have a newly created A-3 liquor license. The Pride of Kane County will have on and offsite full liquor package: to sell package liquor (like other convenience stores) for offsite consumption, and be able to serve if eating at the restaurant for onsite consumption. This is in addition to their full- service BP gas station and car wash.

Records Checks: Gina M. Cooper Oldham

Gina has two residences she has lived at for the past 10 years;

[redacted] (current address)

[redacted]

A check with St. Charles Police records revealed several contacts with Gina. They all indicate her as a complainant or witness in her capacity as the store manager for BP Amoco located in Batavia at 200 N. Randall Rd, a position she has held since October of 2018. There were also minor traffic violations but nothing that would prohibit Gina from her role with The Pride of Kane County. It should be noted that on 10/01/18, Batavia Police Department conducted a liquor license background investigation reference her employment at BP Amoco. Their report, CR #18-15979, located in our New World system and is on file. The investigation revealed nothing that would prohibit Gina from performing her duties.

A check with the North Aurora Police Department revealed nothing that would prohibit Gina from her capacity as store manager.

A search of I CLEAR showed no contacts for Gina.

A check of the Kane County Circuit Court Clerk and the TLOxp database revealed nothing that would prohibit Gina from performing her duties.

Gina has a current BASSET certification. Gina's fingerprints were submitted to the FBI and Illinois Bureau of Identification; there was no record of any arrests.

On 12/08/22, I briefly spoke with Gina to verify the above information and she advised she is currently managing the The Pride location in Palatine and has done so since May of 2022. Gina took this job after she her time at the above- mentioned Batavia location.

I contacted the Palatine Police Department and the only contact they had with Gina was in her capacity as an employee with the Pride Store. There was nothing that would prohibit Gina from performing her duties at the new location in St. Charles.

SITE VISIT and INTERVIEW WITH APPLICANTS:

On 12/09/22, I met with Dana Slattery and The Pride Stores Inc Director of Operations, JT McGlynn at the St. Charles Police Department. They advised construction of site was still underway as all of the walls were not erect at this point. I later visually verified this. They hoped to open by the end of January but a more realistic time frame was the end of February 2023. The gas station and convenience store portion of the business will be open 24 hours. The area of the store for packaged alcohol for off site consumption will have hours roughly from 7am until 10pm and the restaurant portion, Taco Urbano, will be open roughly 11am-9pm. There will also be a beer cave in the packaged alcohol display area. They anticipate alcohol will make up 5% of their sales. The lay out for the business is similar to the Batavia location. Dana advised that the manager for this site, Gina Cooper-Oldham, has been with the company for about 8 years and has worked at several locations to include Batavia and currently Palatine. They plan to start selling alcohol as soon the business is fully operational.

This concludes this background investigation.

Business Plan

Ownership Profile: The PRIDE Stores, Inc, the Retail arm of Parent Petroleum, will be the Operator of The PRIDE of Kane County planned to open in 2022/2023. Parent Petroleum has called St. Charles home for almost 40 years and has their Main Office in the City. The PRIDE Stores, Inc operate 16 Gasoline Stations with Convenience Stores throughout the Chicagoland Market including The PRIDE of St. Charles, located at 1505 Lincoln Highway. CIMA Developers, LP, the Real Estate Holding Company of Parent Petroleum is the Property Owner.

Objective: The PRIDE Stores, Inc.'s primary objective is to provide the Community with numerous consumer offers including fueling, convenience store, quick service restaurant, and beer, wine, and spirits. The store has a total of 5,000 SF, including the Quick Service Restaurant: Taco Urbano. The restaurant plans to sell alcoholic beverages for consumption on site.

Current Operations: The PRIDE Stores, Inc. currently have 16 convenience store locations of which 14 of those locations have package Liquor Licenses. We currently operate 8 quick service restaurants and 1 free standing restaurant.

Management Team: The PRIDE Team is made of dedicated employees, experienced in the Retail industry. The PRIDE of Kane County store will have a dedicated General Manager who will be supported by our District Manager and Vice President of Retail Operations, along with our various support personnel, and Corporate Office located in Warrenville, IL.

Design/Decor: The interior of the store will have distinct and inviting aesthetics constructed with high end building materials, similar to our other existing locations. There are 32 seats available to patrons, 28 in the restaurant and 4 loungers similar to other locations.

Target Market: Our target market will primarily be customers who currently frequent the busy Kirk Road and Route 64 Retail corridor. We will also feed off the synergy from our other PRIDE locations, specifically our PRIDE of St. Charles location, and the cross traffic throughout the general retail area.

Property Management: CIMA Developers is the Property Development and Management arm of Parent Petroleum and The PRIDE Stores and provides the stores with additional support.
