On March 1, 2021, the City opened bids for the annual provision of stone and gravel material for utilization throughout the Public Services Divisions.

The City received three responses to this bid solicitation. Viking Brothers, Inc. of Aurora, IL submitted the lowest responsive, responsible bidder for the base scope of the contract. They have supplied this material to the City in the past with satisfactory results as far as quality of the material and timeliness of deliveries.

The Public Services Department utilizes stone and gravel materials to patch roadways, backfill after emergency infrastructure repair, and to stabilize shorelines and basin walls.
