	<b>AGENDA ITEM EXECUTIVE SUMMARY</b>		Agenda Item number: *6.e
	Title:	Recommendation to Approve Construction Contract for Pavement Rejuvenation	
	Presenter:	Ken Jay	
Meeting: Government Services Committee		Date: August 24, 2020	
Proposed Cost: \$48,026		Budgeted Amount: \$52,775	Not Budgeted: <input type="checkbox"/>
<b>Executive Summary</b> <i>(if not budgeted please explain):</i> <p>In 2017, staff implemented a Pavement Rejuvenation program into our pavement maintenance strategies, which is a spray on application that protects the roadway from weather or sun damage that can cause the pavement to become dry and brittle. Ideal roadway candidates are 1-3 years old. This application is being used by Kane County and many other local agencies. The City is currently rejuvenating streets that were resurfaced or accepted for public maintenance the previous year. This year, staff are proposing rejuvenating streets that were improved or accepted for public maintenance in 2019, which are shown on the attached location map.</p> <p>The Pavement Rejuvenation work was bid out by Kane County earlier this year and they have a provision in their contracts to allow the local agencies to contract with their vendor at the same unit prices. One bid was received from Corrective Asphalt Materials, with a unit price of \$0.91/SY.</p> <p>Staff recommends awarding a contract to the County's low bidder, Corrective Asphalt Materials, utilizing the extended unit prices from the County's bid, for a total amount not to exceed \$48,026.</p>			
<b>Attachments</b> <i>(please list):</i> <p>* 2020 Pavement Rejuvenation Location Map</p>			
<b>Recommendation/Suggested Action</b> <i>(briefly explain):</i> <p>Recommendation to approve Construction Contract with Corrective Asphalt Materials for the 2020 Pavement Rejuvenation Project in the amount of \$48,026.</p>
