This is an information only presentation regarding the refuse contract that is due to expire on June 30, 2018 with Advanced Disposal.

Over the last several months, Staff from St. Charles, Batavia and Geneva have discussed this as a group with the intention to merge together on a Refuse Contract Bid. As part of this process, we have reviewed Refuse Contracts from 13 other communities.

It has been noted there is a consistent savings for the communities that have moved from a sticker based program to a full automatic cart program. The focus of this presentation is to discuss the request to bid the program with a full automatic cart option.
