

AGENDA ITEM EXECUTIVE SUMMARY

Agenda Item number: *6.i

Title:	Recommendation to Approve a Construction Contract for the 7 th Avenue Culvert Repairs Project
Presenter:	Karen Young

Meeting: Government Services Committee Date: August 27, 2018

Proposed Cost: \$63,100	Budgeted Amount: \$65,000	Not Budgeted: <input type="checkbox"/>
-------------------------	---------------------------	--

Executive Summary (if not budgeted please explain):

The 7th Avenue Creek project includes the repairs to the existing culverts located under 7th Avenue north of Fern Avenue. The specific repairs are located at the east end of the culverts near Spring Avenue. The scope of work includes repair of the existing CMP pipe invert, injection of voids behind the culvert walls, and stone rip rap in front of the culverts.

Bid Results:

On August 16, sealed bids for the 7th Avenue Culvert Repair Project were publicly opened and read aloud. The City received a total of three (3) bids for this project, with the results shown below.

Engineer's Estimate	\$ 64,800.00
Copenhaver Construction, Inc.	\$ 88,840.00
Kovilic Construction Co., Inc.	\$ 63,100.00
Martam Construction, Inc.	\$157,794.00

Kovilic Construction Co., Inc. performed the work for the IL Route 31 Culvert and Sidewalk Connection project in 2017 and is capable of performing this work.

Grant Funds:

This project was submitted for a Kane County Riverboat Grant and has been awarded \$25,143.

Project Schedule:

The repair work is scheduled to take place this fall.

Attachments (please list):

None

Recommendation/Suggested Action (briefly explain):

Recommendation to approve Construction Contract with Kovilic Construction Company, Inc. for the 7th Avenue Culvert Repair Project in the amount of \$63,100.
